Darth Vader - Wikipedia
In 1977, a writer for New Journal and Guide criticized the lack of racial diversity in the original Star Wars film, pointing out that "the force of evil is dressed in all black and has the voice of a black man." George Lucas felt hurt at such accusations. Psychiatrists have considered Vader to be a useful example for explaining borderline personality disorder to medical students. Anakin's origin story in The Phantom Menace has been compared to signifiersof Af...

Star Wars: Darth Vader - Dark Lord of the Sith Vol. 2
The art is amazing and Vader has some epic moments of pure darkness and brooding evil, and it's actually really interesting seeing Vader at the start of the Empire's dominion, as most materials place it during the actual Galactic Civil War - the troopers are still wearing the Phase II clone armour and a lot of Imperials don't actually know who Vader is, mistaking him for a Jedi at some points.
