David Gets His Drum-Bob Reiser 2013-05-16 A wise man named Brulla Roberts once said. "Drummer man's magic doesn't come from the drum. The magic comes from the drummer man. "Undoubtedly true, but, as six-year-old David knows only too well, without that drum there is no drummer man! Ever since he can remember. David's "felt the itch in his fingers and the rhythm in his wrists." He's tried keeping time with anything and everything , including spoons. knives. and shoes. To Mom's dismay, he's even taken apart the legs of a kitchen chair! One Sunday morning. Mom and Dad present him with a real drum and sticks. As Dad says, "Now you don't have to break the furniture." Racing across town to join Brulla's marching band, David drums his heart out. And when a few short hours later that drum tears, so does David's heart. A

touching memoir of jazz drummer, David "Panama" Francis. this glowingly illustrated picture book will inspire and captivate young musicians as well as any child with a dream. Luminous oil paintings enhance the gentle story and further reveal the magic of music and the joy it gave to one "drummer man" from old Miami.

Stink It Up!-Megan McDonald 2013-08-06 They don't call him Stink for nothing! Now kids can savor a smorgasbord of facts about smelly and vile stuff in honor of their favorite super sniffer. Did you know that a group of skunks is called a stench? (No lie!) Can you believe that in colonial days, window-washing rags were dipped in pee? Or that snail slime was once an ingredient in cough syrup? Stink has a nose for yuck and muck, and this book is full of it: moose poop festivals, mouse brain toothpaste, maggot cheese, and way more. Its pages are crawling with more than two hundred facts, quizzes, recipes, and bits of trivia about things that are gross, bad, and smelly. P.U.!

children to the days of the week. There are many elements weaved into this rhyming adventure including feelings we can all relate to. The characters in this story represent the actual days of the week and the hidden power within to make our day the best it can be—a Super-Duper Day! Each day has the day of the week spelled out in the body of the character. This is a fun find for children as they explore each character and discover the letters. For example, Super-Duper Monday has big swooping M's for his hair, an O for his nose, N for his mouth, D on his chest, A is in the body with a belt going across, and the Y is the pockets and the legs. The ending has a surprise for both children and adults when the most important fact of all is revealed—where time begins!

Stink and the Ultimate Thumb-Wrestling

Smackdown-Megan McDonald 2011-03-08 Stink needs a sport, fast! Can his alter-ego, Shark Hammersmash, wrestle a win at thumb wars? Or will a perfect karate kick lead him to victory? (Ages 5-8) Stink Moody, family brain, brings home a report card that isn't perfect? Yikes! Time for him to get into fighting shape and beat back that U for Unsatisfactory in gym! A scan of the sports channel leads to a knock-out find: world-class thumb wrestling, with tricky moves like Snake in the Grass and Santa's Little Helper (no equipment needed, save for a tiny terrifying mask to sit on your thumb). But when Mom and Dad are not wowed, Stink gets another idea: he'll kick and punch his way to a yellow belt with the help of a Dragon Master, a seeing-eye Moose, and a mind as still as a pond. Can you say Crouching Tiger, Hidden Thumb? Hee-ya! Ha! Ha! Ha!

Stink and the Freaky Frog Freakout-Megan McDonald 2013-02-12 Croak! Squeenk! Ribbet! After a close encounter with a mutant amphibian makes him freaky for frogs, water-shy Stink becomes a swimming success. Stink may be super smart, and Stink may be uber clever, but he's been in the Polliwog swim class frog-ever and he still can't bear to put his face in the water. Why would he want a geyser up his nose, on purpose? But then something weird happens: Stink starts to see frogs everywhere — in the locker room, in his boot, in the bathtub. And when a freaky blue frog licks his arm, his froggy senses start tingling! He has an urge to slurp up raisins (that look like flies). He can't wait to play in the rain and mud. He's a wiz at identifying frog calls. And he has become very interested in the local frog population. Could it be that Stink is turning into . . . the amazing Stink-Frog, fighter of slime? Pree-eep! Craw-awk!

When lifelong friends Lola, Belle, Maisie and Sophia reunite at their beloved Corner Park Clubhouse for the winter school holidays, Lola has a great idea: they'll enter the local drama competition! It's the perfect way to spend as much time together as possible, and there are prizes for best actor, director and sets. As an artist, Lola's determined her sets will win - but there's just one problem. She can't figure out what to paint, or even how to get started. And that's because of something that happened at her super sophisticated art school last term - something Lola can't discuss with anyone. Not her bestie, Belle, who's brought her new friend Matilda home for the holidays. Not Maisie, who's always busy with gym. Not Sophia, who's focused on her secret crush. And not even her cool older sister, Tally, who's at a conference in New York. With no-one to turn to but herself, can Lola

figure out how to get her creativity back - before it's too late? From beloved author Davina Bell comes this sparkingly funny and heartfelt middle-grade series, for fans of Friday Barnes and Ann M. Martin's iconic Baby-Sitters Club series.

Urinary Tract Infections in Children-Stanley Hellerstein 1982

Interpreter of Maladies-Jhumpa Lahiri 2000-05-22 Navigating between the Indian traditions they've inherited and the baffling new world, the characters in Jhumpa Lahiri's elegant, touching stories seek love beyond the barriers of culture and generations. In "A Temporary Matter," published in The New Yorker, a young Indian-American couple faces the heartbreak of a stillborn birth while their Boston neighborhood copes with a nightly blackout. In the title story, an interpreter guides an American family through the India of their ancestors and hears an astonishing confession. Lahiri writes with deft cultural insight reminiscent of Anita Desai and a nuanced depth that recalls Mavis Gallant. She is an important and powerful new voice.

From the author of the Judy Moody books, this exciting novel captures the warmth, humor, and squabbles of three spunky sisters. Meet the Sisters Club: twelve-year-old Alex, aspiring actress and born drama queen; eight-year-old Joey, homework lover and pioneer wannabe; and smack in the middle, ten-year-old Stevie, the glue that holds them together -- through dinner disasters, disputes over stolen lucky sweaters, and Alex's going gaga over her leading man. Playfully weaving Stevie's narration with Alex's scripts, Joey's notebook entries, and hilarious elements such as "How to Swear in Shakespeare" and "Dear Sock Monkey" letters, this hugely engaging novel showcases Megan McDonald's ear for dialogue, comic timing, and insight into the ever-changing dynamics of sisterhood.

Early Essential Newborn Care-WHO Regional Office for the Western Pacific 2015-05-31
Approximately every two minutes a baby dies in the WHO Western Pacific Region. The majority of newborn deaths occur within the first few days,

mostly from preventable causes. This Guide provides health professionals with a user-friendly, evidence-based protocol to essential newborn care--focusing on the first hours and days of life. The target users are skilled birth attendants including midwives, nurses and doctors, as well as others involved in caring for newborns. This pocket book provides a step-by-step guide to a core package of essential newborn care interventions that can be administered in all health-care settings. It also includes stabilization and referral of sick and preterm newborn infants. Intensive care of newborns is outside the scope of this pocket guide. This clinical practice guide is organized chronologically. It guides health workers through the standard precautions for essential newborn care practices, beginning at the intrapartum period with the process of preparing the delivery area, and emphasizing care practices in the first hours and days of a newborn's life. Each section has a color tab for easy reference.
