<p>Faiths and Festivals-Christine Howard 2012-06-21 A must-have guide for early years practitioners designed to help explain world religions and festivals to young children in a way that is meaningful to them. This guide is designed to be a practical guide to explaining the main five world faiths to young children, as well some lesser-known faiths to young children in a way that makes sense to young children. The book is also full of activity ideas to tie in to a range of religious festivals throughout the year. Each festival contains background information on the festival and why it first started, as well as activities to encourage children's learning. Introducing young children is vital in our multi-cultural and multi-faith society, and this title will provide all early years practitioners with ideas on how to teach children to value diversity and respect other children's views and backgrounds.</p>

<p>Unlikely Converts-Randy Newman 2019-07-30 Rely on the unstoppable power of the gospel, not your own words Most Christians have people in their lives who they're sure will never come to faith. Whether they're too committed to their sinful ways, too angry at God, or too quick to shut down any mention of the saving grace of Jesus, these long shots don't seem worth approaching. But some of the most unlikely converts have the strongest faith stories, and they can be a source of incredible encouragement for Christians who are trying to evangelize those around them. Randy Newman knows firsthand the discomfort that comes with sharing the gospel. He's been tongue-tied and timid too. But the truth is, we don't need to sound like the brilliant, charismatic, legendary evangelists. In this book, Randy shares surprising conversion stories straight from those who took the long way around to Christianity. He considers current cultural trends that make evangelism more difficult today. Then with his characteristic upbeat style, he offers practical ways, and even exact wording, to proclaim the gospel and includes a plan of action. In the end, Unlikely Converts encourages us to remember that while the Great Commission requires us to share the good news, it does not require perfection, only confidence in the message.</p>

<p>Bible Stories & Hollywood Films-Terry Rowan 2017-11-03 God appears as the leading charactor in Genesis, the first book of the Bible, and is a presence throughout all of the others, sometimes as an actor on stage but more often as the director behind it. Stories from the Bible have frequently ben used in Hollywood since the beginning in 1897. There are soubd reasons for motion picture producers to turn to the Bible as sound material, depicting characters or figures from the texts or derived from revelations. Cecil B. DeMille specialized in extravagant epics throughout a career that spanned both silent and sound eras. It has long been popular to make films about the Old Testament, which is the story of a people and also the story of mankind. The book is to understand the many beliefs behind the faiths and religions and Hollywood films!</p>

<p>Revelation- 1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.</p>
<p>World-wide Webb-Pauline Webb 2006 In her modest, sensitive way, Pauline Webb has probably been the most influential British churchwoman in the post-war period, and certainly Methodism's most famous daughter. Challenged by early encounters with injustice in the developing world, she came to understand Christianity as a faith with the power to transform whole systems of oppression. Moreover, she believed that the ecumenical movement held the key to unlocking the 'power' of the Church, and has travelled with it throughout. Pauline Webb has set herself against writing a full-scale autobiography. But, aware that 'somebody else might get it wrong later', she has finally committed to writing these memoirs. As much as a 'history' of Pauline Webb, they are a history of the Church's efforts to cast off its Victorian straitjacket and to 'Make All Things New' in an era both of huge threat and huge opportunity.</p>
