**The Revelation of Jesus Christ**-David Wilson 2017-08-21 The book of Revelation is a book that contains the revelation of Jesus Christ, which God gave to him for one specific purpose. What is that? To show unto his servant John things ¿which must shortly come to pass.¿ Revelation, despite what many people believe or say, is not the revelation of John. The Word tells us point blank that the book of Revelation is the revelation of Jesus Christ. John was only the vessel that Jesus used to write the warning to the churches and to the saints of what the future holds for the world,Jesus is coming back. The scripture says that He is coming with clouds, every eye shall see Him, and all the people of the earth shall wail. Jesus tells us who He is: the Alpha and Omega, the beginning and the end, the Almighty.

**The Celestial Omnibus and other Stories**-E. M. Forster 101-01-01 Eustace's career—if career it can be called—certainly dates from that afternoon in the chestnut woods above Ravello. I confess at once that I am a plain, simple man, with no pretensions to literary style. Still, I do flatter myself that I can tell a story without exaggerating, and I have therefore decided to give an unbiassed account of the extraordinary events of eight years ago.

As the story progresses, the four plots slowly, satisfyingly converge ... where a conference on Shamanistic Practice has been scheduled at Coburn's hotel. But as all four characters draw nearer to their revelations, a hurricane bears down on the island"—P. [4] of cover.

**Conversations with God for Teens**-Neale Donald Walsch 2012-10-01 Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions. So Neale Donald Walsch, author of the internationally bestselling Conversations with God series had another conversation. Conversations with God for Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. Conversations with God for Teens reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?," the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?" There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. Conversations with God for Teens is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

**The Papacy**-Robert Stackpole 2015-03-03 Who is the Pope, and What is His Role in the Church?Dr. Robert Stackpole, STD, Director of the John Paul II Institute of Divine Mercy and Assistant Director of Formation at the St. Therese Institute, explains the role of the Papacy and its foundation in Scripture and Tradition. Born the son of a Protestant Pastor, Dr. Stackpole became an Anglican as an undergraduate, and pursued a vocation to the Anglican priesthood. Grateful for the faith passed on to him in those years, he nevertheless felt something was missing. Drawn to the Catholic Church, his greatest stumbling block to entering was the doctrine of the Papacy. This volume is the result of his critical, in-depth study of the "Petrine Ministry," a quest that helped him embrace that office as the Lord's will for all Christians. This book, writes Dr. Scott Hahn, Professor of Theology and Scripture at Franciscan University of Steubenville, "is a very valuable and readable study for all Christians."

**Omnibus- 2000**

**A Lineage of Grace**-Francine Rivers 2012-11-21 The complete biblical historical fiction compilation by the New York Times bestselling author of Redeeming Love and A Voice in the Wind. The Bible is filled with inspiring stories of unlikely candidates God chose to change eternity. This bestselling compilation in one volume contains five novellas about such people—women in the family tree of Jesus Christ. Tamar. Rahab. Ruth. Bathsheba. Mary. Each was faced with extraordinary—even scandalous—challenges. But they had courage. They lived daring lives. Sometimes they made mistakes—big mistakes. And yet God, in His infinite mercy, used them to bring forth the Christ, the Savior of the world. Their stories still hold great meaning and inspiration for us today. Tamar risked her life and her reputation to be the woman who was called to be. See how God uses our circumstances and our steps toward Him, however faltering, to fulfill His plan. Rahab was exalted by men who saw only her beauty, yet she held fast to her faith in God and was rewarded. Discover how God seeks and finds those whose hearts are tender toward Him, no matter how far away they are. Ruth's loyalty, especially toward her mother-in-law Naomi, helped her to persevere in the face of tragedy, and God gave her a second chance at love. Be encouraged that God will provide even when all hope seems lost. Bathsheba's scandalous affair with David did not end in one night. Learn that God is willing to restore those lost in the depths of despair who call out to Him. Mary is one of the most revered women in history. But first, she was an ordinary woman striving to please God in the same way that women still do today. When God spoke, Mary responded in obedience which changed the world forever. Each novella includes an in-depth Bible study perfect for personal reflection or group discussion.

**The Power in the Book of Psalm**-Andrew B. Adeniji 2017-10 It is shame that the modern world have lost the edge when it comes to the power of prayer. Prayer is so powerful that in the hand of a righteous person, that a man like us named Elijah prayed earnestly that is will not rain and it did not rain for three and half year. And to show how effective prayer can be, he prayed again and the heavens gave rain. The bible shows us time and time again how the less powerful have used prayer to conquer their adversaries. Our Lord and savior, Jesus Christ told us Mathew 17:20, "I tell you the truth, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there' and it will move. Nothing will be impossible for you. Why will Jesus give us such an assurance? It is because, the weapon we fight with are not the weapons of the sinful world, we the children of God use divine power of God to tear down the strong hold of the evil one. So we must continue to pray even when you think your answers are not coming as quickly as you wanted. Remember when Martha and Mary send a message to Jesus that Lazarus is sick," his sisters sent unto him, saying, Lord, behold, he whom thou lovest is sick" even though the answer took two days to get to the sisters. The most important thing is that Jesus was called and that is when action was put in process and they did not put their request on the righteousness of Lazarus or his

status in the ministry or how hard he works or even what he has given to the Church. The appeal was based on the love of Jesus Christ. "The one whom you love is sick," that is our clue; we must always focus our prayers on the love of God. We also have the confidence that God will answer our prayers if they are in agreement with His will. So I know that anything I ask that is according to His will be answered no matter how sinful the person praying may be. Even though we don't always get yes, but His answer are always in our best interest. And we don't have to follow any secret incantation before praying or offer some unnecessary repetition while praying. And the eloquence of our prayer will not make God answer our prayer. That is why in Matthew 6:7-8, Jesus rebukes those who pray using repetitions, "And when you pray, do not keep on babbling like pagans, for they think they will be heard because of their many words. Do not be like them, for your Father knows what you need before you ask him." "The Word of God is full of accounts describing the power of prayer in various situations. The power of prayer has overcome enemies (Psalm 6:9-10), conquered death (2 Kings 4:3-36), brought healing (James 5:14-15), and defeated demons (Mark 9:29). God, through prayer, opens eyes, changes hearts, heals wounds, and grants wisdom (James 1:5). The power of prayer should never be underestimated because it draws on the glory and might of the infinitely powerful God of the universe! Daniel 4:35 proclaims, "All the peoples of the earth are regarded as nothing. He does as he pleases with the powers of heaven and the peoples of the earth. No one can hold back his hand or say to him: 'What have you done?'" So pray and God who loves you first will answer your prayers.

**Conversations with God**-Neale Donald Walsch 2012-06-01 Conversations with God marks Neale Donald Walsch's initial dialogue with God. This book discusses personal issues such as prosperity, relationships and the nature of spiritual truth - with God providing clear, understandable answers. Further than the author's conversation with God, you'll realise that your own understanding and your own conversation with God are the true subjects of this unforgettable text. Walsch was experiencing a low point in his life when he decided to write a letter to God, venting his frustrations. What he did not expect was a response. **A History of the Bible**-John Barton 2020-08-04 A literary history of our most influential book of all time, by an Oxford scholar and Anglican priest In our culture, the Bible is monolithic: It is a collection of books that has been unchanged and unchallenged since the earliest days of the Christian church. The idea of the Bible as "Holy Scripture," a non-negotiable authority straight from God, has prevailed in Western society for some time. And while it provides a firm foundation for centuries of Christian teaching, it denies the depth, variety, and richness of this fascinating text. In A History of the Bible, John Barton argues that the Bible is not a prescription to a complete, fixed religious system, but rather a product of a long and intriguing process, which has inspired Judaism and Christianity, but still does not describe the whole of either religion. Barton shows how the Bible is indeed an important source of religious insight for Jews and Christians alike, yet argues that it must be read in its historical context—from its beginnings in myth and folklore to its many interpretations throughout the centuries. It is a book full of narratives, laws, proverbs, prophecies, poems, and letters, each with their own character and origin stories. Barton explains how and by whom these disparate pieces were written, how they were canonized (and which ones weren't), and how they were assembled, disseminated, and interpreted around the world—and, importantly, to what effect. Ultimately, A History of the Bible argues that a thorough understanding of the history and context of its writing encourages religious communities to move away from the Bible's literal wording—which is impossible to determine—and focus instead on the broader meanings of scripture.

**Why Are We Losing the Kids?**-Sandra M. Platt 2017-03-26 I found this book on Bookbub, and am thrilled with what I've read. I wish every Christian would read it—especially every pastor and leader. My husband (who is a pastor) and I had already come to these conclusions before I found this book, but it gives me great hope that others are seeing the same disastrous problems. We have created a "monster" that we call "church" which little resembles the New Testament kind, and people are fleeing it. For all the promise of the "contemporary" style church, it isn't really much better. The church is failing to make disciples and failing to make any real impact in the culture, and it's all because we have failed to make authentic (true) converts. It's that simple. It's easy to make a disciple of someone who has been truly converted. Otherwise, with our usual crop of "decisions," it's like pushing a rope to get any serious commitment or Christlikeness out of them. The Bible says that Jesus is the Door, but to be brutally honest, the only way through that Door is to crawl—in repentance, submission (brokenness), and faith. We are no different than the church of the Middle Ages that baptized babies for salvation, leaving millions of people still in their sins. There isn't really any such thing as "a church for the unchurched" as many like to claim today. We should be the church of the redeemed, but we have become a church of the unsubmitive, unrepentant, unconverted, uncommitted, and unfaithful. And it all goes back to one thing—real salvation thru real repentance and real faith in Jesus Christ."-M.J. Freeman "... thought provoking book showing true believers in Jesus Christ the need to examine the methods we are using to evangelize our children... the author backs up all of her writing with scripture, the true Word of God." -Alicia Canner " ...Wow what an eye opener, it opened my eyes to the real meaning of being born again. Not only a book to help with the youth but for everyone..."-Malinda Zemrose As Christian women, there is probably nothing more heartbreaking than seeing our children turn from God. We spend thousands of dollars, and sacrifice countless hours to VBS, Bible clubs, Youth outings, Church camp, and children's parties every year. We build elaborate stage sets, plan fantastic carnivals, and youth extravaganzas and bus in all the children and teens we can find in the hopes of leading them to Christ, and yet we are still losing them. We see the grown-up children, the "fruits" of our outreaches, living as practical Atheists. They walk and talk and act like the world, even loving the world, and though they claim to be saved, evidence of life in Christ is conspicuously absent. Even our own children are abandoning the faith. They have asked Jesus into their hearts and yet we see them turn from God at staggering rates. Statistics show that no less than half have turned from God by High School age and closer to two thirds by the time they finish college. What we're doing is just not working! In Why Are We Losing the Kids? You'll see where we have gone wrong and where to go from here. - We can turn the tide on our failing ministry efforts! - We can share the gospel without creating false converts or backsliders! - We can keep the kids if we'll follow God's plan! The Bible has the answers if we're willing to hear them!

**Christianity & Liberalism**-J. Machen 2019-02-14 John Gresham Machen (July 28, 1881 - January 1, 1937) was an American Presbyterian theologian in the early 20th century. He was the Professor of New Testament at Princeton Seminary between 1906 and 1929, and led a conservative revolt against modernist theology at Princeton and formed Westminster Theological Seminary as a more orthodox alternative. As the Northern Presbyterian Church continued to reject conservative attempts to enforce faithfulness to the Westminster Confession, Machen led a small group of conservatives out of the church to form the Orthodox Presbyterian Church. When the northern Presbyterian church (PCUSA) rejected his arguments during the mid-1920s and decided to reorganize Princeton Seminary to create a liberal school, Machen took the lead in founding Westminster Seminary in Philadelphia (1929) where he taught New Testament until his death. His continued opposition during the 1930s to liberalism in his denomination's foreign missions agencies led to the creation of a new organization, the Independent Board for Presbyterian Foreign Missions (1933). The trial, conviction and suspension from the ministry of Independent Board members, including Machen, in 1935 and 1936 provided the rationale for the formation in 1936 of the OPC. Machen is considered to be the last of the great Princeton theologians who had, since the formation of the college in the early 19th century, developed Princeton theology: a conservative and Calvinist form of Evangelical Christianity. Although Machen can be compared to the great Princeton theologians (Archibald Alexander, Charles Hodge, A. A. Hodge, and B. B. Warfield), he was neither a lecturer in theology (he was a New Testament scholar) nor did he ever become the seminary's principal. Machen's influence can still be felt today through the existence of the institutions that he founded—Westminster Theological Seminary, The Independent Board for Presbyterian Foreign Missions, and the Orthodox Presbyterian Church. In addition, his textbook on basic New Testament Greek is still used today in many seminaries, including PCUSA schools. (wikipedia.org)

**The Half Has Never Been Told**-Edward E. Baptist 2016-10-25 A groundbreaking, must-read history demonstrating that America's economic supremacy was built on the backs of slaves Americans tend to cast slavery as a pre-modern institution -- the nation's original sin, perhaps, but isolated in time and divorced from America's later success. But to do so robs the millions who suffered in bondage of their full legacy. As historian Edward E. Baptist reveals in the prizewinning The Half Has Never Been Told, the expansion of slavery in the first eight decades after American independence drove the evolution and modernization of the United States. In the span of a single lifetime, the South grew from a narrow coastal strip of worn-out tobacco plantations to a continental cotton empire, and the United States grew into a modern, industrial, and capitalist economy. Told through intimate slave narratives, plantation records, newspapers, and the words of politicians, entrepreneurs, and escaped slaves, The Half Has Never Been Told offers a radical new interpretation of American history.
