Marriage Triggers-Amber Lia 2020-01-28 Foreword by Dave and Ashley Willis, authors of *The Naked Marriage* and hosts of *The Naked Marriage Podcast* A husband-wife team offers practical advice for married couples to end the cycle of reactionary arguments by examining the most common issues that trigger disagreements and applying God's Word to radically transform relationships. Many couples know their marriage has room for improvement, but it is hard to pinpoint exactly why a relationship is suffering. Often times everyday triggers are the culprit. If you are wondering how to break out of the cycle of reactionary outbursts, cold shoulders, resentment, and pain that harms your relationship, you are not alone. Experiencing peace and joy rather than anger and frustration is not as hard as you think! *Marriage Triggers* walks you through thirty-one of the most common marital issues that sabotage great relationships, like poor communication, lack of spiritual leadership, busy schedules, and different parenting styles. Married for fourteen years, authors Amber and Guy Lia are your typical couple and they share tips for countering negative reactions to triggers with gentle, biblical responses. Rather than run from the things that cause conflict, Amber and Guy believe these triggers are opportunities for growth, both individually and as a couple. They challenge you to let *Marriage Triggers* renew your commitment to responding gently and biblically towards your partner.

Triggers-Amber Lia 2016-02-03 Do you believe your struggle with anger stems from the wrong behavior you see displayed in your children? The knee-jerk reactions and blow-ups you're facing are often a result of a bigger set of "triggers." Some of these are external, like a child's disobedience, backtalk, or selective hearing, while others are internal, like an overflowing schedule, sleep-deprivation, or perhaps your own painful experiences from childhood. *Triggers: Exchanging Parent's Angry Reactions for Gentle Biblical Responses* examines common parenting issues that cause us to explode inappropriately at our children. Moving beyond simple parenting tips on how to change your child's behavior, authors Amber Lia and Wendy Speake offer biblical insight and practical tools to equip and encourage you on the journey away from anger-filled reactions toward gentle, biblical responses.

Here is what men who have been in the study say about the impact it has had on their lives: "This process has allowed me to be emotionally vulnerable and still maintain self-control, to trust other men, to be honest with myself and before God. I've had, and seen other men have, large positive changes in their self-image, which translates directly into stronger relationships here on earth and with Heaven. Many of things we pursue, hoping to experience a change, leave us wanting. It delivers. I have prayed for God's knowledge, the strength to handle life's trials, and the self-control to trust God's plan and timing. The answers I prayed for were right before me and I needed to see and accept them to become a better Christian, father, and husband. My relationships with God, my brothers in Christ, wife, and kids are stronger as a result of the work I brought to men's group and implemented in my daily life. I wish I had access to this information when I was younger." Mike, 39

Keep It Shut-Karen Ehman 2015-01-06 Kind, encouraging, and humorous, Karen Ehman helps us learn the essential practice of using our words more effectively--alleviating heartache and regret, reducing relational tension and conflict, lessening our stress levels, and growing our relationship with God. From Bible times to modern times women have struggled with their words. What to say and how to say it. What not to say. When it is best to remain silent. And what to do when you've said something you wish you could now take back. In this book a woman whose mouth has gotten her into loads of trouble shares the hows (and how-not-tos) of dealing with the tongue. Beyond just a "how not to gossip" book, this book explores what the Bible says about the many ways we are to use our words and the times when we are to remain silent. Karen will cover using our speech to interact with friends, co-workers, family, and strangers as well as in the many places we use our words in private, in public, online, and in prayer. Even the words we say silently to ourselves. She will address unsolicited opinion-slinging, speaking the truth in love, not saying words just to people-please, and dealing with our verbal anger. Christian women struggle with their mouths.

Even though we know that Scripture has much to say about how we are--and are not--to use our words, this is still an immense issue, causing heartache and strain not only in family relationships, but also in friendships, work, and church settings. Also available: Keep It Shut small group video study and study guide.

In this 7-session study from Jackie Hill Perry, dive into themes of being called, loved, and kept, and learn how to point others to Jesus in grace and truth. We serve others well when we share the whole gospel with them, not just the parts deemed attractive by our culture. Features: Leader helps to guide questions and discussions within small groups Personal study segments to complete between 7 weeks of group sessions Verse-by-verse study for comprehension and application Interactive teaching videos, approximately 8-20 minutes per session, available for purchase or rent Benefits: Recognize God's Word as an anchor in the ever-shifting cultural climate.
