Marriage Triggers-Amber Lia 2020-01-28 Foreword by Dave and Ashley Willis, authors of The Naked Marriage and hosts of The Naked Marriage Podcast A husband-wife team offers practical advice for married couples to end the cycle of reactionary arguments by examining the most common issues that trigger disagreements and applying God's Word to radically transform relationships. Many couples know their marriage has room for improvement, but it is hard to pinpoint exactly why a relationship is suffering. Often times everyday triggers are the culprit. If you are wondering how to break out of the cycle of reactionary outbursts, cold shoulders, resentment, and pain that harms your relationship, you are not alone. Experiencing peace and joy rather than anger and frustration is not as hard as you think! Marriage Triggers walks you through thirty-one of the most common marital issues that sabotage great relationships, like poor communication, lack of spiritual leadership, busy schedules, and different parenting styles. Married for fourteen years, authors Amber and Guy Lia are your typical couple and they share tips for countering negative reactions to triggers with gentle, biblical responses. Rather than run from the things that cause conflict, Amber and Guy believe these triggers are opportunities for growth, both individually and as a couple. They challenge you to let Marriage Triggers renew your commitment to responding gently and biblically towards your partner.

Triggers-Amber Lia 2016-02-03 Do you believe your struggle with anger stems from the wrong behavior you see displayed in your children? The knee-jerk reactions and blow-ups you're facing are often a result of a bigger set of "triggers." Some of these are external, like a child's disobedience, backtalk, or selective hearing, while others are internal, like an overflowing schedule, sleep-deprivation, or perhaps your own painful experiences from childhood. Triggers: Exchanging Parent's Angry Reactions for Gentle Biblical Responses examines common parenting issues that cause us to explode inappropriately at our children. Moving beyond simple parenting tips on how to change your child's behavior, authors Amber Lia and Wendy Speake offer biblical insight and practical tools to equip and encourage you on the journey away from anger-filled reactions toward gentle, biblical responses.

Pure Praise-Dwayne Moore 2008-11-20 The nine-week study for those who lead worship...and want to worship more deeply. Leading worship takes more than nailing a mean guitar riff. Worship leaders start with knowing about God...come to know God...then feel a deep desire to bring people to God--through worship. This study is for worship leaders, worship teams, and those who want to dive deeper into experiencing authentic worship. Participants will: experience the meaning of true worship, encounter the best motivation for leading worship, explore various methods of worship leading, and embrace the qualities most needed in worship leaders. Daily devotions transform the worshippers' attitudes and fire up their dedication. And each uplifting team devotion takes just 15-20 minutes--just right for grounding rehearsals on a foundation of true, biblical worship.
