Tajweed Untangled -Yasmin Mussa 2013-08
La ilaha ill ALLAH(s.w.t) Muhammad RasuluLLAH(s.w.t) -Abdul Ghafur 2015-01-07 Learn crucial topics and ideologies regarding Islam. Great for all seekers of knowledge, Islam, non-Muslims and Muslims who want to know more regarding their religion. Fantastic for beginners, great for Shiekh... Insha'ALLAH [if ALLAH (s.w.t: glorified is ALLAH and exalted) permit], whatever may happen, continue reading this book until and before the moment of death arrives when all charitable actions terminate. At the present moment, countless wars are being fought, martyrs are sacrificing every second of their ephemeral lives, and countless other innocent people are being massacred hourly regarding the TRUE knowledge that is contained within this book. This knowledge encompasses and receives priority over and above all forms of knowledge. To their detriment, with utter carelessness and disregard for your SOUL'S eternal future (which is more IMPORTANT than your body's physical future), others have chosen to conceal this drastically important and highly pertinent knowledge without any remorse whatsoever. Via my weaknesses I was unable to complete & distribute this truly eternal LIFE-SAVING knowledge to you sooner. In your prayers, I humbly request for you to please seek forgiveness for me from ALLAH (s.w.t: glorified is ALLAH and exalted). Maa'sha ALLAH (by the will of ALLAH, s.w.t: glorified is ALLAH and exalted), after an extremely anxious and highly anticipated long wait, I have completed this painstaking yet noble undertaking! True knowledge, when implemented... metamorphoses into a divine light for the individual in this life and the hereafter. Insha'ALLAH, if ALLAH (s.w.t) permit and accepts our pure, sincere and truthful intentions to learn, implement and propagate this true knowledge, the angels will spread their wings beneath our feet, our levels of belief will increase, we will receive Hidayat (divine guidance) and become means for others to receive hidiyat (divine guidance). Innumeros tangible and intangible blessings will be showered upon us and we will attain more Rahma (mercy) from ALLAH (s.w.t). Henceforth, this Rahma (mercy) will enable us to enter the highest Jannah (paradise) which is Firdaws. Abdul Ghafur (The Slave of The All Forgiving)

The Madinan Way -Ahmad ibn 'Abd al-Halim Ibn Taymiyah 2000
Tajweed For Beginners ,-Qari Ismail Ishaq 2003
The Nature of Fasting -Ibn Taymiyyah 2018-10-12 This is a translation one of the smaller publications from the works of Shaykh Al-Islam Taqiuddin Ahmad bin 'Abdul-Halim Ibn Taymiyyah. It has been published in this form a variety of times with a number of minor additions to the text under the title, "Hagigatus-Syam," or, "The Nature of Fasting." We have revised our version to meet the source section of Majmu' Al-Fatawa (25:219) from where it appears that the original booklet - with the exception of the questions, of which most appear on earlier pages - has been taken. We have inserted brackets to signify the additions, which earlier publishers probably took from other sections of his writings. We have also added brief references to the text for the Hadiths.
My Dua Book - 2002
Routledge Handbook of Middle East Politics -Larbi Sadiki 2020-04-15 Drawing on various perspectives and analysis, the Handbook problematizes Middle East politics through an interdisciplinary prism, seeking a melioristic account of the field. Thematically organized, the chapters address political, social, and historical questions by showcasing both theoretical and empirical insights, all of which are represented in a style that ease readers into sophisticated induction in the Middle East. It positions the didactic at the centre of inquiry. Contributions by forty-four scholars, both veterans and newcomers, rethink knowledge frames, conceptual categories, and fieldwork praxis. Substantive themes include secularity and religion, gender, democracy, authoritarianism, and new "borderline" politics of the Middle East. Like any field of knowledge, the Middle East is constituted by texts, authors, and readers, but also by the cultural, spatial, and temporal contexts within which diverse intellectual inflections help construct (write-speak) academic meaning, knowing, and practice. By denaturalizing notions of singularity of authorship or scholarship, the Handbook plants a dialogic interplay animated by multi-vocality, multi-modality, and multi-disciplinarity. Targeting graduate students and young scholars of political and social sciences, the Handbook is significant for understanding how the Middle East is written and re-written, read and re-read (epistemology, methodology), and for how it comes to exist (ontology).
