That's Not My Lamb...-Fiona Watt 2013-02-01 This is a sweet, touchy-feely book which is just right for sharing with babies and toddlers. The furry textures are a delight to touch, and even very young babies will reach out to touch them.

Our Bodies, Their Battlefields-Christina Lamb 2020-09-22 From Christina Lamb, the coauthor of the bestselling *I Am Malala* and an award-winning journalist—an essential, groundbreaking examination of how women experience war. In *Our Bodies, Their Battlefields*, longtime intrepid war correspondent Christina Lamb makes us witness to the lives of women in wartime. An award-winning war correspondent for twenty-five years (she's never had a female editor) Lamb reports two wars—the “bang-bang” war and the story of how the people behind the lines live and survive. At the same time, since men usually act as the fighters, women are rarely interviewed about their experience of wartime, other than as grieving widows and mothers, though their experience is markedly different from that of the men involved in battle. Lamb chronicles extraordinary tragedy and challenges in the lives of women in wartime. And none is more devastating than the increase of the use of rape as a weapon of war. Visiting warzones including the Congo, Rwanda, Nigeria, Bosnia, and Iraq, and spending time with the Rohingya fleeing Myanmar, she records the harrowing stories of survivors, from Yazidi girls kept as sex slaves by ISIS fighters and the beekeeper risking his life to rescue them; to the thousands of schoolgirls abducted across northern Nigeria by Boko Haram, to the Congolese gynecologist who stitches up more rape victims than anyone on earth. Told as a journey, and structured by country, *Our Bodies, Their Battlefields* gives these women voice. We have made significant progress in international women's rights, but across the world women are victimized by wartime atrocities that are rarely recorded, much less punished. The first ever prosecution for war rape was in 1997 and there have been remarkably few convictions since, as if rape doesn't matter in the reckoning of war, only killing. Some courageous women in countries around the world are taking things in their own hands, hunting down the war criminals themselves, trying to trap them through Facebook. In this profoundly important book, Christina Lamb shines a light on some of the darkest parts of the human experience—so that we might find a new way forward. *Our Bodies, Their Battlefields* is as inspiring and empowering as it is urgent, a clarion call for necessary change.

That's Not My Puppy...-Fiona Watt 2018-10-26 20 years ago exactly, Usborne published *TNM Puppy*, the first in a series that now spans over 50 titles and millions of copies sold throughout the world. Celebrate with us with a new edition of *TNM Puppy*, with special foiled edges and anniversary balloons on the cover!

The Shadow and Night-Chris Walley 2011-01-21 In the first book in the epic *Lamb among the Stars* series, author Chris Walley weaves the worlds of science and the spirit, technology and supernatural into something unique in science fiction. Twelve thousand years into the future, the human race has spread across the galaxy to hundreds of terraformed worlds. The effects of the Fall have been diminished by the Great Intervention, and peace and contentment reign under the gentle rule of the Assembly. But suddenly, almost imperceptibly, things begin to change. On the remotest planet of Farholme, Forester Merral D'Avanos hears one simple . . . lie. Slowly a handful of men and women begin to realize that evil has returned and must be fought. What will this mean for a people to whom war and evil are ancient history? Thus begins the epic that has been described as “If C. S. Lewis and Tolkien had written *Star Wars*.” *The Shadow and Night* was previously published in two volumes: *The Shadow*

at *Evening and The Power of the Night*.

That's Not My Princess-Fiona Watt 2006-06-01 Young readers may touch various pieces of clothing and articles, such as bows, tiaras, and sashes, that are not the one someone is looking for, until the right picture appears. On board pages.

Lamb-Christopher Moore 2009-10-13 The birth of Jesus has been well chronicled, as have his glorious teachings, acts, and divine sacrifice after his thirtieth birthday. But no one knows about the early life of the Son of God, the missing years -- except Biff, the Messiah's best bud, who has been resurrected to tell the story in the divinely hilarious yet heartfelt work “reminiscent of *Vonnegut* and *Douglas Adams*” (*Philadelphia Inquirer*). Verily, the story Biff has to tell is a miraculous one, filled with remarkable journeys, magic, healings, kung fu, corpse reanimations, demons, and hot babes. Even the considerable wiles and devotion of the Savior's pal may not be enough to divert Joshua from his tragic destiny. But there's no one who loves Josh more -- except maybe “Maggie,” Mary of Magdala -- and Biff isn't about to let his extraordinary pal suffer and ascend without a fight.

She's Come Undone-Wally Lamb 2012-12-11 Meet Dolores Price. She's thirteen, wise-mouthed but wounded. Beached like a whale in front of her bedroom TV, she spends the next few years nourishing herself with the chocolate, crisps and Pepsi her anxious mother supplies. When she finally rolls into young womanhood at 257 pounds, Dolores is no stronger and life is no kinder. But this time she's determined to rise to the occasion and give herself one more chance before really going belly up. In his extraordinary coming-of-age odyssey, Wally Lamb invites us to hitch an incredible ride on a journey of love, pain, and renewal with the most heartbreakingly comical heroine to come along in years. At once a fragile girl and a hard-edged cynic, so tough to love yet so inimitably loveable, Dolores is as poignantly real as our own imperfections.

Thats Not My Llama-Fiona WATT 2018-10-29 Another new title in the highly successful *That's not my....* series, featuring touchy-feely patches to explore and a little white mouse to look for on every page. The *That's not my...* series has sold millions of copies worldwide. Llamas are popular at the moment.

That's Not My Monkey-Fiona Watt 2008-06-01 Young readers may touch various surfaces on monkeys that are not the one someone is looking for, until at last the right one appears. On board pages.

I Know This Much Is True-Wally Lamb 1999 With his stunning debut novel, *She's Come Undone*, Wally Lamb won the adulation of critics and readers with his mesmerizing tale of one woman's painful yet triumphant journey of self-discovery. Now, this brilliantly talented writer returns with *I Know This Much Is True*, a heartbreaking and poignant multigenerational saga of the reproductive bonds of destruction and the powerful force of forgiveness. A masterpiece that breathtakingly tells a story of alienation and connection, power and abuse, devastation and renewal--this novel is a contemporary retelling of an ancient Hindu myth. A proud king must confront his demons to achieve salvation. Change yourself, the myth instructs, and you will inhabit a renovated world. When you're the same brother of a schizophrenic identical twin, the tricky thing about saving yourself is the blood it leaves on your bands--the little inconvenience of the look-alike corpse at your feet. And if you're into both survival of the fittest

and being your brother's keeper--if you've promised your dying mother--then say so long to sleep and hello to the middle of the night. Grab a book or a beer. Get used to Letterman's gap-toothed smile of the absurd, or the view of the bedroom ceiling, or the influence of random selection. Take it from a godless insomniac. Take it from the uncrazy twin--the guy who beat the biochemical rap. Dominick Birdsey's entire life has been compromised and constricted by anger and fear, by the paranoid schizophrenic twin brother he both deeply loves and resents, and by the past they shared with their adoptive father, Ray, a spit-and-polish ex-Navy man (the five-foot-six-inch sleeping giant who snoozed upstairs weekdays in the spare room and built submarines at night), and their long-suffering mother, Concettina, a timid woman with a harelip that made her shy and self-conscious: She holds a loose fist to her face to cover her defective mouth--her perpetual apology to the world for a birth defect over which she'd had no control. Born in the waning moments of 1949 and the opening minutes of 1950, the twins are physical mirror images who grow into separate yet connected entities: the seemingly strong and protective yet fearful Dominick, his mother's watchful "monkey"; and the seemingly weak and sweet yet noble Thomas, his mother's gentle "bunny." From childhood, Dominick fights for both separation and wholeness--and ultimately self-protection--in a house of fear dominated by Ray, a bully who abuses his power over these stepsons whose biological father is a mystery. I was still afraid of his anger but saw how he punished weakness--pounced on it. Out of self-preservation I hid my fear, Dominick confesses. As for Thomas, he just never knew how to play defense. He just didn't get it. But Dominick's talent for survival comes at an enormous cost, including the breakup of his marriage to the warm, beautiful Dessa, whom he still loves. And it will be put to the ultimate test when Thomas, a Bible-spouting zealot, commits an unthinkable act that threatens the tenuous balance of both his and Dominick's lives. To save himself, Dominick must confront not only the pain of his past but the dark secrets he has locked deep within himself, and the sins of his ancestors--a quest that will lead him beyond the confines of his blue-collar New England town to the volcanic foothills of Sicily 's Mount Etna, where his ambitious and vengefully proud grandfather and a namesake Domenico Tempesta, the sostegno del famiglia, was born. Each of the stories Ma told us about Papa reinforced the message that he was the boss, that he ruled the roost, that what he said went. Searching for answers, Dominick turns to the whispers of the dead, to the pages of his grandfather's handwritten memoir, The History of Domenico Onofrio Tempesta, a Great Man from Humble Beginnings. Rendered with touches of magic realism, Domenico's fablelike tale--in which monkeys enchant and religious statues weep--becomes the old man's confession--an unwitting legacy of contrition that reveals the truth's of Domenico's life, Dominick learns that power, wrongly used, defeats the oppressor as well as the oppressed, and now, picking through the humble shards of his deconstructed life, he will search for the courage and love to forgive, to expiate his and his ancestors' transgressions, and finally to rebuild himself beyond the haunted shadow of his twin. Set against the vivid panoply of twentieth-century America and filled with richly drawn, memorable characters, this deeply moving and thoroughly satisfying novel brings to light humanity's deepest needs and fears, our aloneness, our desire for love and acceptance, our struggle to survive at all costs. Joyous, mystical, and exquisitely written, I Know This Much Is True is an extraordinary reading experience that will leave no reader untouched.

Little Lamb, Have You Any Wool?-Isabel Minhós Martins 2012-03 A boy asks his friend the lamb for wool so he can make himself warm clothing for winter, and the lamb is always willing to help.

The Island of Grump-Kenny Lamb 2016-08 The Island of Grump, from multi-platinum songwriter Kenny Lamb, is a wonderfully illustrated lyrical tale with a strong message and a musical rhythm. The story focuses on character Gilbert, as he learns the consequences of what happens when he can't let go of his grumpiness--he finds himself a castaway from his friends, all alone on the metaphorical island of Grump! Kenny Lamb delivers a powerful lesson to children through parents, while taking readers to a sweet and simple place, somewhere between Seuss and Silverstein, where poetry and the real world collect into pools of the imagination. This unique is sure to become an instant classic!

That's Not My Chick...-Fiona Watt 2018-01-22 A charming new addition to the best-selling 'That's Not My'... series. That's Not My Koala... BB-Fiona Watt 2019-07-22 Babies and toddlers will love touching the textured patches as they meet lots of adorable koalas. The bright pictures and textures to stroke are designed to help develop sensory and language awareness.

Have You Seen My Lamb-Autumn Driscoll 2020-07-28 We very much cherish our traditional Christmas songs. It turns out that many of our Christmas songs (actual ones, not Santa songs) are 75 to 500 years old or more. Most are fairly serious and with serious melodic delivery. With that in mind, we wished to create something new that was light hearted and more of a story-within-a-story, so to speak. And, specifically, a story that compels discussion between you and your child about the real story in the background. It all began with a song of course. We then realized that a children's book would be a natural fit, complementing the original song (available separately on iTunes). If you feel that this original Christmas story and melody (available separately) would make a valued tradition for another family, consider giving it as a gift for Christmas. It just might be the conversation starter that another family is praying for. May this work be a blessing to you and your family, and a tradition that you pass down for generations to come.

Indestructibles: Mary Had a Little Lamb-Amy Pixton 2010-08-05 Sing a nursery rhyme with a book that's indestructible! Mary had a little lamb, its fleece was white as snow. And everywhere that Mary went, the lamb was sure to go! Indestructibles is the trusted series for easing little ones into story time. Beloved by babies and their parents, Indestructibles are built for the way babies "read" (i.e., with their hands and mouths) and are: Rip Proof--made of ultra-durable tight-woven material Waterproof--can be chewed on, drooled on, and washed! Emergent Literacy Tool--bright pictures and few or no words encourage dialogic reading Portable--lightweight books can go anywhere, perfect for the diaper bag and for travel Safe for Baby--meets ASTM safety standards

We Are Water-Wally Lamb 2013-10-22 We Are Water is a disquieting and ultimately uplifting novel about a marriage, a family, and human resilience in the face of tragedy, from Wally Lamb, the New York Times bestselling author of The Hour I First Believed and I Know This Much Is True. After 27 years of marriage and three children, Anna Oh--wife, mother, outsider artist--has fallen in love with Viveca, the wealthy Manhattan art dealer who orchestrated her success. They plan to wed in the Oh family's hometown of Three Rivers in Connecticut. But the wedding provokes some very mixed reactions and opens a Pandora's Box of toxic secrets--dark and painful truths that have festered below the surface of the Ohs' lives. We Are Water is a layered portrait of marriage, family, and the inexorable need for understanding and connection, told in the alternating voices of the Ohs--nonconformist, Anna; her ex-husband, Orion, a psychologist; Ariane, the do-gooder daughter, and her twin, Andrew, the rebellious only son; and free-spirited Marissa, the youngest. It is also a portrait of modern America, exploring issues of class, changing social mores, the legacy of racial violence, and the nature of creativity and art. With humor and compassion, Wally Lamb brilliantly captures the essence of human experience and the ways in which we search for love and meaning in our lives.

That's Not My Zebra-Fiona WATT 2019-05-02 Illustrations:Full colour throughout

The Sheep That No One Could Find-Anthony DeStefano 2014 Tells the story from the Bible of the little sheep that is convinced that the world beyond his Good Shepherd's pasture is worth exploring.

How did it go so wrong?

That's Not My Duck...-Fiona Watt 2014 Turn the pages and touch the patches of different textures to develop sensory and language awareness.

Better Than the Binge-Adam S. Lamb 2017-10-07 Eliminating alcohol from your life is a surefire way to up your game, personally and professionally. But in today's world, drinking is a frequent social obligation, and the pressure to "have a drink" can be tremendous. Adam Lamb said, "I'm all set," to booze and he is happier, healthier, and a more successful version of himself without it. In Better than the Binge, he offers powerful arguments for quitting, as well as tips on how to do it without becoming a social outcast. This book isn't aimed at serious alcoholics but at the everyday Joe or Jill who feels compelled by their peers to drink at parties, sporting

events, and after-work gatherings. Adam provides information, motivation, and proven strategies for kicking the casual alcohol habit—from ways to navigate your social situations to different habits you can adopt to ease the stress of quitting. Better than the Binge is your map to a richer life, because not drinking is the new cool.
