How To Study and Teaching How To Study-F M McMurry 2021-03-23 Book Excerpt: terature that has been published, careful searching reveals only two books in English, and none in German, on the "Art of Study." Even these two are ordinary books on teaching, with an extraordinary title.The subject of memorizing has been well treated in some of our psychologies, and has received attention in a few of the more recent works on method. Various other problems pertaining to study have also, of course, been considered more or less, in the past, in books on method, in rhetorics, and in discussions of selection of reading matter. In addition, there are a few short but notable essays on study. There have been practically, however, only two books that treat mainly of this subject, --the two small volumes by Dr. Earhart, already mentioned, which have been very recently published. In the main, the thoughts on this general subject that have got into print have found expression merely as incidents in the treatment of other themes--coming, strange to say, largely from men outside the teaching profeRead Mor
