The Boys' Book of Greatness-Martin Oliver 2009 Boys find more ways to become the best at everything they do, from boiling an egg to being a ventriloquist.

World Book of Greatness 2020-Greatness 2020 Thank you for reading the World Book of Greatness 2020: the world's first and only official record of great people. This book is curated by Greatness University: world's first institution dedicated to discovering, developing and delivering greatness. In this edition, we bring to you the legends, creators, masters and icons of greatness.

The Simple Art of Greatness-James X. Mullen 1995 Demonstrates that empowered employees and an entrepreneurial environment are powerful catalysts for corporate greatness, and offers examples of how the author's philosophies and practices can lead to success

Greatness-Dean Keith Simonton 1994-05-21 This path-breaking work offers the first comprehensive examination of the important personalities and

events that have influenced the course of history. It discusses whether people who go down in history are different from the rest of us and whether specific personality traits predispose certain people to become world leaders, movie stars, scientific geniuses, and athletes. It sheds light on the depth of potential in everyone, yielding important clues as to how we can take advantage of our own individual personality traits. Probing the lives of a range of important figures, the book explores the full range of phenomena associated with greatness, scrutinizing the significance of everything from genetic inheritance, intuition, aesthetic appreciation, and birth order, to formal education, sexual orientation, aging, IQ, and alcohol and drug abuse. This book will be of interest to anyone interested in the people and events that have helped shape the world, including mental health professionals and scholars studying psychological topics in the larger context of science, art, politics, and history. The book also serves as an engaging text for undergraduate psychology courses.

Georgia's Greatness-Lauren Baratz-Logsted 2009-03-23 The Sisters Eight are back in a new adventure! This time, Georgia gets her chance to be the hero--if she doesn't completely mess things up! In the first two installments of the Sisters Eight, we met the sisters (octuplets) and their eight cats. We discovered Mommy and Daddy disappeared (or died) and that to find out what happened to them, each girl must discover her power and gift. Annie and Durinda both found theirs. We also learned that the girls' nosy neighbor

The Wicket is very interested in what Mommy was working on before she disappeared (or died). In this, the third book, the plot thickens: Mrs. McGullicuddy, the girls' teacher, is AWOL, and the substitute teacher is too beautiful to be believed (in your narrator's humble opinion.) Does her beautiful facade hide an evil soul? (These are books. Of course it does.) And Georgia makes a blunder that could keep the girls' from ever finding their parents. Are the Sisters Eight doomed to live alone forever?

Choose Greatness-Gary Chapman 2019-01-01 Why do some teens thrive as adults while others struggle? What makes the difference? Gary Chapman, the New York Times #1 bestselling author of *The 5 Love Languages®*, and Clarence Shuler met when Clarence was still a teen. Gary mentored Clarence and helped him make wise decisions during his tumultuous teen years. Decades later, the two are still close friends and both lead powerful ministries that help people all around the world live better, more godly lives. Clarence saw the importance of someone coming alongside when he needed to make difficult but wise decisions. That's why Gary and Clarence are teaming up to give this gift to other young men. In *Choose Greatness*, they look at 11 important choices every young man faces, and talk through how he can choose wisely and thereby choose greatness. Full of rich wisdom, down-to-earth writing, and compassionate insight, this book is perfect for a teen to read on their own or (even better) with a mentoring adult. Help the teens in your life choose greatness today.

The Gucci Mane Guide to Greatness-Gucci Mane 2020-10-13 From the platinum selling recording artist and New York Times bestselling author of *The Autobiography of Gucci Mane* comes *THE GUCCI MANE GUIDE TO GREATNESS*—an unprecedented look at Gucci Mane's secrets to success, health, wealth, and self-improvement. From Gucci: "I live by the principles in this book. I wanted to write this book to give you a tool set. This book should touch people who are going through something. It's not going to be easy. But study these words, and put them into action. I want this book to keep you motivated. I want you to keep coming back to it for guidance and inspiration. You can put it on your shelf and keep going to *The Gucci Mane Guide to Greatness*. This book is a challenge. Don't underestimate yourself. Don't think that what you're saying is not important. Don't think you can't

achieve the impossible. Everyone needs some game, so here it is. *The Gucci Mane Guide to Greatness* is for the world. Enjoy." In this inspiring follow up to his iconic memoir, Gucci Mane gifts us with his playbook for living your best life. Packed with stunning photographs, *The Gucci Mane Guide to Greatness* distills the legend's timeless wisdom into a one-of-a-kind motivational guidebook. Gucci Mane emerged transformed after a turbulent life of violence, crime, and addiction to become a dazzling embodiment of the power of positivity, focus, and hard-work. Using examples from his life of unparalleled success, Gucci Mane looks inward and upward to offer his blueprint for greatness. A must read for anyone with big ambitions and bigger dreams.

Gunning for Greatness: My Life-Mesut Özil 2017-04-20 Mesut Ozil is a midfield magician, casting an elegant spell over opponents and conjuring passes through gaps lesser mortals can't even see. After an eventful sojourn among the Galacticos of Real Madrid he has savoured silverware at Arsenal, while in 2014 he lifted the World Cup with Germany. But his life and career have been a test of resilience. Growing up in Germany's Turkish community, he faced prejudice from those who claimed his dual identity would prevent him giving his all for the national team. Later came questions over a different type of commitment, the kind levelled against those, like Mesut Ozil, who excel in football's finer arts rather than relying simply on running and ruggedness. He has proved concerns on both these issues lack substance. In *Gunning for Greatness*, Mesut Ozil reveals the inside stories of his relationships with Jose Mourinho and Arsene Wenger, his quest to help the under-fire Frenchman restore Arsenal's pre-eminence - and how he silenced the sceptics by conquering the world.

Raising Kids for True Greatness-Tim Kimmel 2006-05-08 You want only the best for your kids. And you want them to be successful. Sure, there's nothing wrong with that. But what if there was something more? Could your definition of success be leaving out the most important part? What about greatness? Where does it fit in? "If you aim your children at anything less than greatness, you'll set them up to miss the whole point of their lives," says author Tim Kimmel. In *Raising Kids for True Greatness*, Kimmel turns the definition of success on its head and guides you in preparing your child

for a life that will easily eclipse the goals of those who are merely successful. Learn how to prepare your kids for rich lives of true greatness by helping them find answers to life's three most crucial, life-changing questions regarding their mission, mate, and master: What are they going to do with their potential? Who will they spend their lives with? Who will they live it for?

Eli-Michael D. Goldsmith 2012-09 It was a classic showdown between Minnesota and Los Angeles in the Metrodome. No one could understand why we were in game seven of the World Series and Eli McBrien had not been seen since game one, when he struck out twenty-four batters in eight innings. Todd Rucket was up to bat. Against the LA pitching staff, he had been making all the pitchers look like rank amateurs. Henderson, LA's manager, walked out to the mound. Eli had been warming up gently through the last inning. His arm seemed a bit sore. But when the game was on the line, they were going to go with their twenty-year-old sensation. Young Eli McBrien has a secret ambition. This ambition is not to be the greatest pitcher ever to step on a baseball diamond (even though he is). It's not to make millions of dollars (even though he eventually does.) His secret ambition is developed by God the Father Himself as he guides Eli through his life. Every aspect of his life is pointed toward that secret ambition. Follow along on Eli's journey in *Eli: Greatness Begins* to see how the Father guides Eli McBrien through trials and triumphs on and off the diamond.

Giving Greatness-Paul Nourigat 2012-10-01 There is great need all around us. Chelsea and Jack show how they, their families and their friends can help those in need.

The School of Greatness-Lewis Howes 2015-10-27 When a career-ending injury left elite athlete and professional football player Lewis Howes out of work and living on his sister's couch, he decided he needed to make a change for the better. He started by reaching out to people he admired, searching for mentors, and applying his past coaches' advice from sports to life off the field. Lewis did more than bounce back: He built a multimillion-

dollar online business and is now a sought-after business coach, speaker, and podcast host. In *The School of Greatness*, Howes shares the essential tips and habits he gathered in interviewing "the greats" on his wildly popular podcast of the same name. In discussion with people like Olympic gold medalist Shawn Johnson and Pencils of Promise CEO Adam Braun, Howes figured out that greatness is unearthed and cultivated from within. The masters of greatness are not successful because they got lucky or are innately more talented, but because they applied specific habits and tools to embrace and overcome adversity in their lives. A framework for personal development, *The School of Greatness* gives you the tools, knowledge, and actionable resources you need to reach your potential. Howes anchors each chapter with a specific lesson he culled from his greatness "professors" and his own experiences to teach you how to create a vision, develop hustle, and use dedication, mindfulness, joy, and love to reach goals. His lessons and practical exercises prove that anyone is capable of achieving success and that we can all strive for greatness in our everyday lives.

Greatness-Don Yaeger 2011-10-24 *GREATNESS* is a motivational book whose target audience is found in business and self-help. It is a life book, aimed at inspiring others to achieve their personal and professional best. Opening with an in-depth discussion of the nature of Greatness-what it is, what it is not, and why it is worth pursuing-each subsequent chapter of the book consists of a detailed story illustrating one aspect of Greatness with examples from the sports greats that Don has interviewed over the years. This will be followed by a discussion and other related examples. There are also practical tips and plans for assisting the reader in implementing new habits, routines, practices, and philosophies of Greatness into his or her daily life. As each characteristic is outlined, the reader is challenged to look for areas in his or her professional and personal lives that can be improved by embracing these lessons. As Don often says during his speeches, "Though these characteristics are culled from some of the greatest winners in sports, not a single one requires you to be able to touch your toes! These iconic figures in sports have provided a classroom for us to learn about their pursuit of Greatness. You don't have to be good at sports - heck, you don't even have to like sports - to benefit from their lessons." It is the strong belief of those who Don has talked to over the years that greatness is available to all of us. Not in the same way or on the same field, mind you.

But we all have the capacity to achieve greatness if we'll give the same dedication to these characteristics as do the winners presented and interviewed in GREATNESS.

You Are a Badass®-Jen Sincero 2013-04-23 Packed with humor, inspiration, and advice, You Are a Badass is the #1 New York Times bestselling self-help book that teaches you how to get better without getting busted. In this refreshingly entertaining how-to guide, bestselling author and world-traveling success coach, Jen Sincero, serves up twenty-seven bite-sized chapters full of hilariously inspiring stories, sage advice, easy exercises, and the occasional swear word, helping you to: Identify and change the self-sabotaging beliefs and behaviors that stop you from getting what you want, Create a life you totally love. And create it NOW, and Make some damn money already. The kind you've never made before. By the end of You Are a Badass, you'll understand why you are how you are, how to love what you can't change, how to change what you don't love, and how to use The Force to kick some serious ass.

Unlocking Greatness-Charlie Harary 2018-03-13 A guide to successfully getting the life you want by changing your perspective and discovering your ideal self. More often than not, our own mental obstacles are holding us back from the joy, fulfillment, and meaning that we all crave, but by retooling our perspectives, we gain the ability to see the path toward the life we truly desire. Charlie Harary, business executive, professor, speaker, and radio host, combines the wisdom of science, spirituality, and personal growth in practical and understandable terms so you can take the life you have and make it the life you want. Everyone has the extraordinary capacity to transform their life. And it's easier to do than you might think—in order to get what you want, to achieve that sense of greater life satisfaction, all you need to do is learn how to best use the resources you already have. Based on the latest research into the brain's neuroplasticity, analysis of ancient wisdom, and exploration of the practices of today's greatest achievers, Harary offers guidance and inspiration so you can break through the clutter and confusion of your life and find your true purpose.

Greatness in the Shadows-Douglas M. Branson 2016-04-01 Just weeks after Jackie Robinson joined the Brooklyn Dodgers, Larry Doby joined Robinson in breaking the color barrier in the major leagues when he became the first black player to integrate the American League, signing with the Cleveland Indians in July 1947. Doby went on to be a seven-time All-Star center fielder who led the Indians to two pennants. In many respects Robinson and Doby were equals in their baseball talent and experiences and had remarkably similar playing careers: both were well-educated, well-spoken World War II veterans and both had played spectacularly, albeit briefly, in the Negro Leagues. Like Robinson, Doby suffered brickbats, knock-down pitches, spit in his face, and other forms of abuse and discrimination. Doby was also a pioneering manager, becoming the second black manager after Frank Robinson. Well into the 1950s Doby was the only African American All-Star in the American League during a period in which fifteen black players became National League All-Stars. Why is Doby largely forgotten as a central figure in baseball's integration? Why has he not been accorded his rightful place in baseball history? Greatness in the Shadows attempts to answer these questions, bringing Doby's story to life and sharing his achievements and firsts with a new generation.

Little Miss Is Destined for Greatness-Amber Bogan 2019-04-29 Early on, children begin looking to us to help them carve out a place in this world. Affirming that they have the right to dream big will encourage them to spread their wings and soar! Through frolicsome, endearing rhyme, and captivating illustrations, Little Miss is Destined for Greatness, sets out to inspire, empower, and motivate young readers as they explore what they want to offer to the world one rhyme at a time. Designed to serve as a mirror for little brown boys and girls across the globe, Little Miss invites readers to embrace every possibility.

No Apology-Mitt Romney 2010-03-02 The #1 New York Times bestseller about putting America back in the lead and building a better future from former US Presidential Candidate and 2018 Utah Senate Candidate. In No Apology, Mitt Romney asserts that American strength is essential—not just

for our own well-being, but for the world's. Nations such as China and a resurgent Russia threaten to overtake us on many fronts, and violent Islamism continues its dangerous rise. In the face of such challenges, America need not apologize for its liberties, but must use them wisely. We need renewal: fresh ideas to cut through complicated problems and restore our strength. Creative and bold, Romney proposes solutions to restore economic vitality, create good jobs, reduce out-of-control spending on entitlements and health care, dramatically improve education, and rebuild a military battered by years of war. Most important, he calls for a new commitment to citizenship, a common cause we all share, rather than a laundry list of individual demands. Many of his solutions run counter to Republican thinking, but all have one strategic aim: to strengthen America and preserve our global leadership. Personal and dynamically argued, *No Apology* is a call to action by a man who cares deeply about America's history, its promise, and its future.

Big Truths for Young Hearts-Bruce A. Ware 2009-03-31 Equips parents to guide their young children through all major doctrines in an understandable, chapter-a-day format. Sure, it's easy to teach your children the essentials of Christian theology when you're a theology professor. But what about the rest of us? With *Big Truths for Young Hearts*, Bruce Ware, (you guessed it!) a theology professor, encourages and enables parents of children 6-14 years of age to teach through the whole of systematic theology at a level their children can understand. Parents can teach their children the great truths of the faith and shape their worldviews early, based on these truths. The book covers ten topics of systematic theology, devoting several brief chapters to each subject, making it possible for parents to read one chapter per day with their children. With this non-intimidating format, parents will be emboldened to be their children's primary faith trainers-and perhaps learn a few things themselves along the way.

Seven Men-Eric Metaxas 2016-04-12 A beautiful gift edition of this instant classic exclusively for graduates, with a special letter from Eric Metaxas to those entering the next phase of life's journey. What makes a great man great? In *Seven Men*, New York Times bestselling author Eric Metaxas

explores that most important of questions in through the captivating stories of some of the greatest men who have ever lived. How did George Washington resist the temptation to become the first king of America, and why did William Wilberforce give up the chance to be prime minister of England? What made Eric Liddell cast aside an almost certain Olympic gold medal? What enabled Jackie Robinson to surrender his right to fight back against racists, or Dietrich Bonhoeffer to jeopardize his freedom and safety to defy the Nazis? In this stirring and inspiring work, Eric Metaxas reclaims a long-lost sense of the heroic--the idea that certain lives are worthy of emulation. Get to know the seven men in this book, and your life will be immeasurably richer.

The Girls' Book of Excellence-Sally Norton 2009 In this book, girls will find tips on how they can be the best at everything.

Season of Life-Jeffrey Marx 2007-11-01 The bestselling inspirational book in which the author reunites with a childhood football hero, now a minister and coach, and witnesses a revelatory demonstration of the true meaning of manhood. Joe Ehrmann, a former NFL football star and volunteer coach for the Gilman high school football team, teaches his players the keys to successful defense: penetrate, pursue, punish, love. Love? A former captain of the Baltimore Colts and now an ordained minister, Ehrmann is serious about the game of football but even more serious about the purpose of life. *Season of Life* is his inspirational story as told by Pulitzer Prize-winning journalist Jeffrey Marx, who was a ballboy for the Colts when he first met Ehrmann. Ehrmann now devotes his life to teaching young men a whole new meaning of masculinity. He teaches the boys at Gilman the precepts of his Building Men for Others program: Being a man means emphasizing relationships and having a cause bigger than yourself. It means accepting responsibility and leading courageously. It means that empathy, integrity, and living a life of service to others are more important than points on a scoreboard. Decades after he first met Ehrmann, Jeffrey Marx renewed their friendship and watched his childhood hero putting his principles into action. While chronicling a season with the Gilman Greyhounds, Marx witnessed the most extraordinary sports program he'd ever seen, where players say "I love you" to each other and coaches profess their love for their players. Off

the field Marx sat with Ehrmann and absorbed life lessons that led him to reexamine his own unresolved relationship with his father. *Season of Life* is a book about what it means to be a man of substance and impact. It is a moving story that will resonate with athletes, coaches, parents—anyone struggling to make the right choices in life.

Writers & Lovers-Lily King 2020-03-03 "I loved this book not just from the first chapter or the first page but from the first paragraph... The voice is just so honest and riveting and insightful about creativity and life." —Curtis Sittenfeld #ReadWithJenna Book Club Pick as Featured on Today Emma Roberts Belletrist Book Club Pick A New York Times Book Review's Group Text Selection An extraordinary new novel of art, love, and ambition from Lily King, the New York Times bestselling author of *Euphoria* Following the breakout success of her critically acclaimed and award-winning novel *Euphoria*, Lily King returns with another instant New York Times bestseller: an unforgettable portrait of an artist as a young woman. Blindsided by her mother's sudden death, and wrecked by a recent love affair, Casey Peabody has arrived in Massachusetts in the summer of 1997 without a plan. Her mail consists of wedding invitations and final notices from debt collectors. A former child golf prodigy, she now waits tables in Harvard Square and rents a tiny, moldy room at the side of a garage where she works on the novel she's been writing for six years. At thirty-one, Casey is still clutching onto something nearly all her old friends have let go of: the determination to live a creative life. When she falls for two very different men at the same time, her world fractures even more. Casey's fight to fulfill her creative ambitions and balance the conflicting demands of art and life is challenged in ways that push her to the brink. *Writers & Lovers* follows Casey—a smart and achingly vulnerable protagonist—in the last days of a long youth, a time when every element of her life comes to a crisis. Written with King's trademark humor, heart, and intelligence, *Writers & Lovers* is a transfixing novel that explores the terrifying and exhilarating leap between the end of one phase of life and the beginning of another.

Amazing Racers-Marc Bloom 2019-08-06 What would one call taking teens with no evident running talent and putting them through breakneck training combined with mantras from the rock n' roll, techniques from Kenya,

philosophy from Australia and turning them champions? Is it revolutionary? Or just plain crazy? Bill Aris has heard both, but one thing is indisputable. Everything Aris does with his runners—male and female—is new and extraordinary, and he has created a new American running dynasty. The runners of Fayetteville-Manlius High School, or F-M, have won the last nine out of ten national championships and have the best cumulative record in cross country history. F-M's domination has shocked the sport for its defiance of accepted running principles and limitations. One year, the girls defeated the 2nd-place team in the country by an average of 59 seconds per girl in a 5k race. Another year, the F-M girls' ran faster than their Kenyan counterparts, who had come to Oregon as a showcase. Across the country, top coaches all whisper, "How do they do it?" From adopting long-forgotten Spartan creeds to focusing on teenaged developmental psychology and gender-blindness in training, *The Running Revolutionaries* is a must read for millions of runners and the millions more who strive for better performance.

Zinnia's Zaniness-Lauren Baratz-Logsted 2011-09-13 The penultimate episode in the *Sisters Eight* saga! Finally! Zinnia's turn has arrived. The poor girl has been waiting for her time in the spotlight quite long enough. Really, it would be cruel to make her wait any longer. What will her power and her gift be? Will either of them prove to be as much of a doozy as she has been hoping for? There's only one way to find out: Let her story begin. It's finally Zinnia Time!

The Greatness of Dads-Kirsten Matthew 2017-05-30 For every dad, grandfather, father-to-be, step-dad, or father figure, this book is the ultimate expression of love. Featuring compelling quotes, literary excerpts, and pop culture references as well as inspiring photographs of fathers (some are famous and some are heroes only to their own families), *The Greatness of Dads* celebrates the unique bond between dads and their children in an unforgettable book that showcases the universal threads of fatherhood: love, discipline, responsibility, fun, embarrassment, sadness, and joy. The compelling prose, heartwarming images of fathers and their children, and variety of dads included make this handsome volume the ideal gift for Father's Day, birthdays, holidays, or just to say "I love you."

The Anatomy of Greatness-Brandel Chamblee 2016-03-29 In the first book from popular Golf Channel analyst Brandel Chamblee, the network's "resident scholar and critic" (The New York Times) explores the common swing positions of the greatest players throughout history—and reveals how those commonalities can help players of every skill level improve our own games. Every golf game begins with the swing, and no two are identical. Years ago, however, Brandel Chamblee, the highly regarded Golf Channel analyst and former PGA Tour professional, noticed that the best players of all time have shared similar positions in each part of the swing, from the grip and setup to the footwork, backswing, and follow-through. Since then, Chamblee, a student of game's history, has used scientific precision and thoroughness to make a study of the common swing positions of the greats. Now, in *The Anatomy of Greatness*, he reveals what he has learned, offers hundreds of photographs as his proof, to show us how we can easily incorporate his findings into our own swings to hit the ball farther, straighter, and more consistently. What does it tell us that the majority of the greats—from Jack Nicklaus and Byron Nelson to modern masters like Tiger Woods—employ a "strong" grip on the club? How did legends like Ben Hogan, Sam Snead, Mickey Wright, and Gary Player unlock hidden power and control by "turning in" the right knee at address? Why are some modern teachers preaching "quiet" footwork when forty-eight of the top fifty golfers of all time lifted their left heels on the backswing, allowing them to build power? At the same time that Chamblee is extolling certain swing virtues, he also debunks a number of popular—but misguided—swing philosophies that have been hindering golfers for years. The result is perhaps the best and clearest explanation of how to hit a golf ball ever published. *The Anatomy of Greatness* is a book that golfers can take to the driving range and use Chamblee's clear explanations to build better swings—and get more speed and consistency into their swings—immediately. It is like having a series of private lessons from the best golfers of all time, and it will help golfers build swings that make the game easier and more fun.

Friendship with God-Neale Donald Walsch 2002-10-01 The first book in a new series by the multimillion-copy bestselling author of *Conversations with*

God. Neale Donald Walsch has changed the way millions of Americans think about God. His *Conversations with God* series, book 1, book 2, and book 3, have all been New York Times bestsellers- book 1 for over two years. The essence of Neale Donald Walsch's message lies at the heart of faith- the sacred place in every person, where he stands alone with his God. Walsch urges each of us to forge our own unique relationship with God, a God who is everywhere and speaks to us in all we do. It is up to us to stop and listen. It is up to us to respond...to begin the conversation. And a conversation is the first step, just as in any relationship, in establishing trust, in building friendship, in creating communion. In *Friendship with God*, Neale Donald Walsch shares the next part of his journey, and leads us to deepen and strengthen our own bonds with God. He honors our heart's desire: a closer connection, richer and fuller. A friendship with God.

As Good as Gone-Larry Watson 2016-06-21 "Honest, warm, humane, and at times shocking, *As Good as Gone* is an achievement of empathy and dignity." —Smith Henderson, author of *Fourth of July Creek* Calvin Sidey is always ready to run, and it doesn't take much to set him in motion. As a young man, he ran from this block, from Gladstone, from Montana, from this country. From his family and the family business. He ran from sadness, and he ran from responsibility. If the gossip was true, he ran from the law. It's 1963, and Calvin Sidey, one of the last of the old cowboys, has long ago left his family to live a life of self-reliance out on the prairie. He's been a mostly absentee father and grandfather until his estranged son asks him to stay with his grandchildren, Ann and Will, for a week while he and his wife are away. So Calvin agrees to return to the small town where he once was a mythic figure, to the very home he once abandoned. But trouble soon comes to the door when a boy's attentions to seventeen-year-old Ann become increasingly aggressive and a group of reckless kids portend danger for eleven-year-old Will. Calvin knows only one way to solve problems: the Old West way, in which scores are settled and ultimatums are issued and your gun is always loaded. And though he has a powerful effect on those around him--from the widowed neighbor who has fallen under his spell to Ann and Will, who see him as the man who brings a sudden and violent order to their lives--in the changing culture of the 1960s, Calvin isn't just a relic; he's a wild card, a danger to himself and those who love him. In *As Good as Gone*, Larry Watson captures our longing for the Old West and its heroes, and he

challenges our understanding of loyalty and justice. Both tough and tender, it is a stunning achievement.

Lincoln's Melancholy-Joshua Wolf Shenk 2006-10-02 A nuanced psychological portrait of Abraham Lincoln that finds his legendary political strengths rooted in his most personal struggles. Giving shape to the deep depression that pervaded Lincoln's adult life, Joshua Wolf Shenk's Lincoln's Melancholy reveals how this illness influenced both the President's character and his leadership. Mired in personal suffering as a young man, Lincoln forged a hard path toward mental health. Shenk draws on seven years of research from historical record, interviews with Lincoln scholars, and contemporary research on depression to understand the nature of Lincoln's unhappiness. In the process, Shenk discovers that the President's coping strategies—among them, a rich sense of humor and a tendency toward quiet reflection—ultimately helped him to lead the nation through its greatest turmoil. A New York Times Book Review Editors' Choice
SELECTED AS A BEST BOOK OF THE YEAR: Washington Post Book World, Atlanta Journal-Constitution, St. Louis Post-Dispatch, Pittsburgh Post-Gazette
As Featured on the History Channel documentary Lincoln "Fresh, fascinating, provocative."—Sanford D. Horwitt, San Francisco Chronicle
"Some extremely beautiful prose and fine political rhetoric and leaves one feeling close to Lincoln, a considerable accomplishment."—Andrew Solomon, New York Magazine "A profoundly human and psychologically important examination of the melancholy that so pervaded Lincoln's life."—Kay Redfield Jamison, Ph.D., author of An Unquiet Mind

Black Faces in White Places-Randal Pinkett 2011 The first African-American winner of The Apprentice explains how black professionals can bust through racial barriers in order to climb the corporate ladder and reach their full potential.

Appreciate-David Sturt 2017-08-14

Being Monsters-Micah Davis 2017-08-12 Our differences are what make the world a beautiful place. Diversity brings us together. Being Monsters encourages and empowers young children to see the best in themselves. Monsters aren't always scary; they are just simply unique. Even in a world of people from diverse backgrounds, races, cultures, and personalities, we often find that we are more similar than we are different. New author Micah Davis illustrates a fun, yet thought provoking children's book on character that promotes self-confidence, diversity, and courage as we all strive to live, interact, and appreciate the world of people we call family. Children will smile and enjoy this book as they meet six little monsters, who individually strive to make their mark in the world!

The Feeling of Greatness-Tim O'Connor 2017-06-13 Golfing coach Tim O'Connor returns with a second edition of his biography of golfing great Moe Norman, *The Feeling of Greatness: The Moe Norman Story*. With new insights twenty years after his first publication, O'Connor reflects on his and others' relationships with the Norman, Norman's impact and legacy, and the life lessons that came from such an impressive man and athlete.

The History of Sunnybrook Hospital-Francesca Grosso 2014-11-11 The story of Sunnybrook is one of battle and rebellion in the pursuit of excellence. With each battle endured, Sunnybrook Hospital forged new directions, becoming stronger and greater, often exceeding goals and beating significant odds. These very challenges enabled Sunnybrook to morph into the dynamic academic health sciences centre it is today.

The Greatness Chair-Kathleen Friend 2019-07-15 Avi is a typical boy having an ordinary day full of corrections and negativity by well-meaning grown-ups. When he reaches his limit, and blows up, he ends up in the time out chair where he falls asleep. In his dream, he learns the secret of the Greatness Chair and brings his newfound wisdom back to his parents.

Worship Matters (Foreword by Paul Baloche)-Bob Kauflin 2008-03-26

Nothing is more essential than knowing how to worship the God who created us. This book focuses readers on the essentials of God-honoring worship, combining biblical foundations with practical application in a way that works in the real world. The author, a pastor and noted songwriter, skillfully instructs pastors, musicians, and church leaders so that they can root their congregational worship in unchanging scriptural principles, not divisive cultural trends. Bob Kauflin covers a variety of topics such as the devastating effects of worshiping the wrong things, how to base our worship on God's self-revelation rather than our assumptions, the fuel of worship, the community of worship, and the ways that eternity's worship should affect our earthly worship. Appropriate for Christians from varied backgrounds and for various denominations, this book will bring a vital perspective to what readers think they understand about praising God.

Limitless Growth-Johnny Franklin 2019-03-22 Even though we all possess

the ability to do phenomenal things in life, the only way that we'll be able to experience greatness is if we live our lives with the right mindset. This amazing book discusses various topics about life and provides an abundance of encouraging words that will leave you more motivated to take on the world. Making continuous efforts to grow every day of our lives puts us in position to capture dreams, goals, and all of the other amazing things that life has to offer. You have so much to achieve and give to the world. Never become complacent in life. There's always room for improvement and growth.

Six Keys to Unlocking Your Door of Greatness-Mike O. Nwangwa 2019-09-22 Have you ever been stranded because you took the wrong keys and only discovered when you got to your car or home? You may have a bunch of keys, yet not be able to open a door if the keys are not the right one for that door. In this book, Mike takes you through six keys that would literally change your life and help you attain heights you so desire. Six keys that, if used, well will unlock every door for you. Whether you want money, a job, happiness, a relationship or just some confidence, this book will help you achieve them. Mike passionately hand holds you through this whole process as though you were by his side having a conversation. He believes that no matter how fortified a door is, with the right key, you'll gain entrance easily.
