A Journey Toward Hope -Victor Hinojosa 2020-08-04 p>Four unaccompanied migrant children come together along the arduous journey north through Mexico to the United States border in this ode to the power of hope and connection even in the face of uncertainty and fear. Every year, roughly 50,000 unaccompanied minors arrive at the US/Mexico border to present themselves for asylum or related visas. The majority of these children are non-Mexicans fleeing the systemic violence of Central America’s "Northern Triangle": Honduras, El Salvador, and Guatemala. A Journey Toward Hope tells the story of Rodrigo, a 14-year-old escaping Honduran violence; Alessandra, a 10-year-old Guatemalan whose first language is Q'eqchi'; and the Salvadoran siblings Laura and Nando. Though their reasons for making the trip are different and the journey northward is perilous, the four children band together, finding strength in one another as they share the dreams of their past and the hopes for their future. A Journey Toward Hope is written in collaboration with Baylor University’s Social Innovation Collaborative, with illustrations by the award-winning Susan Guevara (Chato’s Kitchen, American Library Association Notable Book, New York Public Library’s 100 Great Children’s Books / 100 Years). It includes four pages of nonfiction back matter with additional information and resources created by the Baylor Social Innovation Collaborative.

The Third Gift -Linda Sue Park 2011-11 -15 From two extraordinary talents, a beautifully crafted picture book for the Christmas season. The three wise men, or the three kings, are familiar figures in the Christmas tradition. Newbery medalist Linda Sue Park has taken the brief biblical references to the three as the starting point for a new story. In it we meet a boy who is learning his father’s trade; a man who gathers resin from certain trees; a merchant in the marketplace; and three strangers in brightly colored robes who are shopping for a gift for a baby. Illustrated by Bagram Ibatoulline with exquisite paintings, this simple, moving tale of ordinary people involved in an extraordinary event brings new resonance to the well-known gift list of gold, frankincense, and myrrh. Includes an author’s note.
The New Statesman - 1922
The Christmas Cat -Maryann MacDonald 2013-10-17 A cozy Nativity story for those who love Christmas and cats. All babies are beautiful and all babies cry. Jesus was no exception. On the night he was born, nothing Mary, Joseph, or the animals in the stable could do would comfort him. But when a curious kitten wanted its turn to calm the baby Jesus, a loving friendship blossomed on that very first Christmas. This perfect read-aloud was inspired by Leonardo da Vinci's drawings of La Madonna del Gatto, which show Mary lovingly holding the baby Jesus who is cuddling a cat.

"My Heart it is Delicious"-Biloine W. Young 2008 MY HEART IT IS DELICIOUS is the amazing and inspiring story of how a baker's dozen of Minnesota volunteers responded to an international health crisis half a world away and helped transform refugee medical care across the globe. When the American Refugee Committee of Minneapolis sent a small medical team to tend the sick and starving refugees on the war-torn Thai-Cambodian border in 1979, the fledging nonprofit had no idea its work would last into the twenty-first century. Neither did many of ARC's volunteer nurses and physicians, who realized when they returned to Minnesota that they and western medicine needed to change if non-English-speaking refugees had any hope of better health care upon their arrival in America. MY HEART IT IS DELICIOUS tells many stories of the American Refugee Committee, the Minneapolis Center for Victims of Torture, the Center for International Health, as well as of patients and practitioners like Dr. Walker.
