**Gateway to Judaism**-Mordechai Becher 2005 Gateway to Judaism is an insider's engaging look at the mindset, values, and practices of Judaism in the 21st century. As a senior lecturer and outreach expert with Gateways Seminars, Rabbi Mordechai Becher has helped thousands of people reconnect with the beauty, wisdom and relevance of their Jewish heritage. Often asked to recommend "just one book" that would explain the essentials of Jewish life and thought, he decided to write it himself! Delving beneath common perceptions of Jewish tradition, Rabbi Becher presents fresh and meaningful perspectives that will educate and inspire you. Among the many intriguing topics he addresses are: Is there spirituality in Judaism? In our age of labor-saving devices, do we still need a Sabbath? What is Judaism's view on death and the afterlife? Why is Judaism so full of laws? Why should I pray? Does God really want to hear my complaints? Can Judaism enhance my marriage? Isn't circumcision just an ancient rite of initiation? Is it still relevant? Why is Israel so central to Judaism? Does a religion need a land? Why does a mourner say Kaddish? Wasn't keeping kosher a health measure? Does it still have a purpose today? How can I add meaning to my Passover Seder? Gateway to Judaism reveals Judaism's power to elevate your life. Whether you are new to Jewish tradition, familiar with its practice, or simply curious, you will find this book an illuminating guide to a joyous and fulfilling lifestyle. -- from dust cover.

All our biblical holidays"→,→"Passover included"→,→"originally commemorated the agrarian and pastoral soil out of which Judaism grew. Today, we are deeply aware that our well-being and our freedom ultimately depend on the earth's well-being. <p><b>Incredible Stories</b>-Jules Lermina 2019-03-24 Jules Lermina - "I have always loved fantasy stories. The incredible is one of the forms of poetry. The real, when it is distorted by hallucination or dream, immediately becomes enormous and more attractive perhaps than the truth itself. Such as these faces that some concave or convex mirrors lengthen or depress in strange ways. They fascinate us. We look at them with a rather haggard fixity, while perhaps we would let a pretty woman pass without admiring her? »</p>

<p><b>Storiology</b>-Steven Dunham 2013-11-12 Once I realized that each moment in real life is more dramatic than any novel or screenplay ever written, I finally realized that reality was worth engaging. So often we wonder if anyone notices the lives we lead, but I believe God travels great distances to gather angels who long to see our stories unfold. He is like a director or writer who wants to show off His cast and characters.God, scripture, and truth stand firm, yet our stories and theology influence one another. What do you believe about God, Christ, and our identity as Christians? What are your thoughts on communion, worship, baptism, and heaven? What does God say about our struggle with Him and the emotions we carry inside us? What is the role of the church and the need we have for outside support? And finally, what are the true definitions of repentance and sanctification within the context of a grace-based theology? In your hands, you hold the intersection of my story and my theology. You hold my "Storiology". May it point you to God, igniting a desire to find Him in the middle of your own dramatic, valuable story. Even angels long to look into these things. - 1 Peter 1:12Endorsements:* Bob Blincoe, Ph.D. U.S. Director of Frontiers* Annette Schuster, MA. Director of Kids Need to Know * Bob Krepps.
