The Magic Half Book Review - Common Sense Media

02/09/2014 · THE MAGIC HALF is a rewarding read with clever turns, well-developed characters, and neatly drawn-out suspense. Readers who enjoy history and problem-solving will enjoy the trips back to the Depression, the hunt for buried stolen treasure, Miri's attempts to piece together the logic of time travel, and the conundrum of thinking about time as both in the present and past.
