The Official FA Guide to Basic Team Coaching -Les Reed 2004 The official guides to success on and off the pitch.' This Official Football Association series provides invaluable and essential advice and information about key football skills for anyone involved in football, of any age and level. The books are especially aimed at those involved in grassroots football, who may not have the back up and help that they might need to realise the full potential of their involvement in the game. Each book in this series is packed with practical exercises and features, information and expert advice, which will improve your understanding and enhance your ability and enjoyment of the world's greatest game. A straightforward, lively and practical guide, this book covers the essential aspects of coaching including ethics and developing a code of conduct, team strategies, tactics, leadership and management. It looks at both attacking and defending squad practices, and has a chapter devoted to coaching goalkeepers. This book is essential reading for anyone involved in football - not just coaches and those interested in coaching, but players and parents also. 'Be a part of the game.
The Official FA Guide to Basic Refereeing -John Baker 2004 Essential reading for all referees and those in training.
The Official FA Guide to Fitness for Football -Richard Hawkins 2004 The official guides to success on and off the pitch.' This Official Football Association series provides invaluable and essential advice and information about key football skills for anyone involved in football, of any age and level. The books are especially aimed at those involved in grassroots football, who may not have the back up and help that they might need to realise the full potential of their involvement in the game. Each book in this series is packed with practical exercises and features, information and expert advice, which will improve your understanding and enhance your ability and enjoyment of the world's greatest game. A straightforward, lively and practical guide, this book includes detailed information on basic physiology and nutrition, plus the components of fitness and how to assess fitness for football. It includes chapters devoted to preparation and recovery, how to monitor your progress and the important differences between adults and children. This book is essential reading for anyone who participates in football at any level, as well as coaches, teachers and parents. 'Be a part of the game.
F.A. Guide for Referees and Linesmen -Football Association (England) 1974
The Official FA Guide to Psychology for Football -Andrew Cale 2004 The official guides to success on and off the pitch.' This Official Football Association series provides invaluable and essential advice and information about key football skills for anyone involved in football, of any age and level. The books are especially aimed at those involved in grassroots football, who may not have the back up and help that they might need to realise the full potential of their involvement in the game. Each book in this series is packed with practical exercises and features, information and expert advice, which will improve your understanding and enhance your ability and enjoyment of the world's greatest game. A straightforward, lively and practical guide, this book encourages you to look at the four main psychological areas of football: motivation; learning; development; and the environment. It is essential reading for any coach, especially youth coaches, any parent or carer, and is also very useful reading for players themselves. It gives advice on developing and managing the four main areas and how to develop strategies for individuals. This book also includes an important chapter about age appropriate training, and a chapter on the means of consolidation for the player. 'Be a part of the game.
The Official FA Guide - Midfielder -Paul Broadbent 2006
The Official FA Guide to Running a Club -Les Howie 2004 The official guides to success on and off the pitch.' This Official Football Association series provides invaluable and essential advice and information about key football skills for anyone involved in football, of any age and level. The books are especially aimed at those involved in grassroots football, who may not have the back up and help that they might need to realise the full potential of their involvement in the game. Each book in this series is packed with practical exercises and features, information and expert advice, which will improve your understanding and enhance your ability and enjoyment of the world's greatest game. A straightforward, lively and practical guide, this book details why you may want to start a club initially and gives comprehensive advice on how to get started and who you can turn to for help. At a time when the financial aspects and problems surrounding football clubs can often overshadow the game itself, this book is essential reading for all those involved in the administrative side of the game in any way. It covers all areas of club management, from administration and finance to PR and marketing. It also has a chapter devoted to dealing with the most common problems and goes on to suggest how to develop the club for the future. 'Be a part of the game.
The Official FA Guide for Football Parents -Les Howie 2004 The official guides to success on and off the pitch.' This Official Football Association series provides invaluable and essential advice and information about key football skills for anyone involved in football, of any age and level. The books are especially aimed at those involved in grassroots football, who may not have the back up and help that they might need to realise the full potential of their involvement in the game. Each book in this series is packed with practical exercises and features, information and expert advice, which will improve your understanding and enhance your ability and enjoyment of the world's greatest game. A straightforward, lively and practical guide, this book gives advice on choosing a club and being involved in it, plus chapters on sharing the football interest with your child and being a 'garden coach'. Detailing the child's expectations of their 'football parents' and vice versa and dealing with the important issue of maintaining teenage interest, it offers a spectrum of expert advice, essential to any parent or adult interested in football. 'Be a part of the game.

Spalding's Official Foot Ball Guide ...- 1937

The F. A. Guide to Training and Coaching-Allen Wade 1968

Guide to Official Publications of Foreign Countries-Gloria Westfall 1997

The Official Indoor and Arena Football Trading Card Guide-B M Publishing LLC 2008-01-01 I had too many secrets. I wanted out of this closet. People all over the world were coming out. We could see them on national TV and books had been written. What was so difficult about it? I had to be free to talk with my grandchildren about it. I didn't want them to ever experience anything like this. There were more doors to open and bricks that needed to be blasted. What if my grandchildren changed their opinions of me when the truth was told? I couldn't hide anymore, my hands needed to be free. I had lived a half of a century and the one person who knew the truth had already forgiven me. Now, it was my time to do the same.

The Official Guide for Foreign-Educated Nurses-CGFNS International@ 2009-07-13 "[This book] will serve as your guide before and after you come to the United StatesÖ. [A] 'must-read' for every nurse who is contemplating migrating to the U.S." -Diana J. Mason, PhD, RN, FAAN This book is the only guide to the United States health care system for nurses immigrating to this country as well as foreign-educated nurses who are already here. The contributors provide a wealth of insight on how to address the challenges of being a foreign-educated nurse in the United States. Nurses can learn what is expected of them, how to prepare for the journey to the United States, and how to adapt to their new communities. The book can help foreign-educated nurses understand the health care system as well as their rights and roles within that system. Written in simple, accessible language, the guide will address the topics and issues that foreign-educated nurses care about, including living in the United States as a foreign-educated nurse, nursing practice in the United States, and the U.S. health care system. Key topics discussed: Preparing to leave the home country The process of entry into the U.S.A. Nursing education in the U.S.A. Understanding the U.S. health care system Employment challenges and guidelines for entering the U.S. workforce Foreign-educated nurses' roles, rights, and obligations Most importantly, this book will help foreign-educated nurses learn how to avoid being misunderstood by others, form enduring relationships with American colleagues, and join them in working to improve the quality of health care in this country--and worldwide.
