Academ's Fury-Jim Butcher 2009-06-04 For centuries, the people of Alera have relied on the power of the furies to protect them from outside invaders. But the gravest threat might be closer than they think. Tavi has escaped the Calderon Valley and the mysterious attack of the Marat on his homeland. But he is far from safe, as trying to keep up the illusion of being a student while secretly training as one of the First Lord's spies is a dangerous game. And he has not yet learned to use the furies, making him especially vulnerable. When the attack comes it's on two fronts. A sudden strike threatens the First Lord's life and threatens to plunge the land into civil war. While in the Calderon Valley, the threat faced from the Marat is dwarfed by an ancient menace. And Tavi must learn to harness the furies if he has any chance of fighting the greatest threat Alera has ever known . . .

Media and the Make-Believe Worlds of Children-

Maya Gotz 2014-04-04 Media and the Make-Believe Worlds of Children offers new insights into children's descriptions of their invented or "make-believe" worlds, and the role that the children's experience with media plays in creating these worlds. Based on the results of a cross-cultural study conducted in the United States, Germany, Israel, and South Korea, it offers an innovative look at media's role on children's creative lives. This distinctive volume:

- *outlines the central debates and research findings in the area of children, fantasy worlds, and the media;
- *provides a descriptive account of children's make-believe worlds and their wishes for actions they would like to take in these worlds;
- *highlights the centrality of media in children's make believe worlds;
- *emphasizes the multiple creative ways in which children use media as resources in their environment to express their own inner worlds; and

*suggests the various ways in which the tension between traditional gender portrayals that continue to dominate media texts and children's wishes to act are presented in their fantasies. The work also demonstrates the value of research in unveiling the complicated ways in which media are woven into the fabric of children's everyday lives, examining the creative and sophisticated uses they make of their contents, and highlighting the responsibility that producers of media texts for children have in offering young viewers a wide array of role models and narratives to use in their fantasies. An enclosed CD provides full-color images of the artwork produced during the study. This book will appeal to scholars and graduate students in children and media, early childhood education, and developmental psychology. It can be used in graduate level courses in these areas.

Strange Adventures (2020-

) #1-Tom King 2020-03-04
After winning five Eisner Awards and topping year-end "best of lists," the comic book of 2019 was Mister Miracle. The comic book of 2020 will be Strange Adventures. The Mister Miracle team of writer Tom King and artist Mitch Gerads are joined by fan-favorite artist Evan "Doc" Shaner to bring you an epic

tale in the tradition of Watchmen, The Dark Knight Returns, and DC: The New Frontier-a story of blood, war, and love that readers will be talking about for years to come. Adam Strange is the hero of Rann, a man famous throughout the galaxy for his bravery and honor. After leading his adopted home to victory in a great planetary war, Adam and his wife Alanna retire to Earth, where they are greeted by cheers, awards, and parades. But not all is as happy and nice as it seems, as the decisions Adam made during battles on Rann come back to haunt his family and threaten the entire DC Universe. And now a surprise DC hero will have to choose between saving Adam Strange and saving the world. A story like no other, Strange Adventures is an ambitious, thrilling, shocking, and beautiful 12-issue saga that will push Adam Strange to the breaking point-and beyond!After winning five Eisner Awards and topping year-end "best of lists," the comic book of 2019 was Mister Miracle. The Unfortunate Decisions of Dahlia Moss—Max Wirestone 2015-10-20
Veronica Mars meets the World of Warcraft in The

Unfortunate Decisions of Dahlia Moss, a mystery romp with a most unexpected heroine. If it were up to me this book would be called Hilarious Things That Happened That Were Not At All Dahlia's Fault -- or HTTHTWNAADF, for short. OK, I probably shouldn't have taken money from a mysterious eccentric to solve a theft, given that I'm not a detective, and that I am sometimes outwitted by puzzles in children's video games. I probably shouldn't have stolen bags of trash from a potential murder suspect. Arguably -- just arguably, mind you -- it may have been unwise to cos-play at an event where I was likely to be shot at. But sometimes you just have to take some chances, right? And maybe things do get a little unfortunate. What of it? If you ask me, an unfortunate decision here or there can change your life. In a positive way, just so long you don't killed in the process. Admittedly, that's the tricky bit.

adventures about different Pokémon and their trainers. Diary 1: This Snorlax has a huge appetite, but that's okay as long as he can take his yearlong "nap," or, in other words, hibernate after storing all the food he devoured.

Snorlax is happy when he fills his tummy with goodies from the supermarket, but when he goes to sleep, his slumber gets interrupted by a bunch of loud kids. He wakes up and won't stop eating. He steals food, goes island-hopping, and doesn't slow down one bit! Will Ash and Misty succeed in bringing him to the laboratory, so Professor Oak can take a look at this gigantic Pokémon? Diary 2: Psy-psy-psy. That's what the Psyduck keeps saying. When he has a headache, he worries, he gets confused, and he doesn't know what to do. However, whenever he does get those headaches, it unleashes his psychic abilities. His trainer, Misty, discovers this and makes use of this trait by punching him on the head all the time. She gets a little frustrated when he jumps out of his Pokéball at the wrong moments, but she also loves him to pieces. Together, they hunt down a water type Pokémon, train at the gym, and beat a sinister bully in a Pokémon battle. But will Psyduck ever get rid of those headaches? Diary 3: Magikarp tells the story of his adventure on a cruise ship,
