### **The Mammoth Book of Mindblowing SF**

Mike Ashley 2009-07-30 Many readers are attracted to science fiction for that singular moment when a story expands your imagination, enabling you to see something in a new light. Not all SF works this way! This volume collects the very best of it that does, with 25 of the finest examples of mind-expanding and awe-inspiring science fiction. The storylines range from a discovery on the Moon that opens up vistas across all time to a moment in which distances across the Earth suddenly increase and people vanish. These are tales to take you from the other side of now to the very end of time - from today's top-name contributors including Stephen Baxter, Alastair Reynolds, Robert Silverberg, Gregory Benford and Robert Reed.

### **An Orgasm (or More) a Day**

Rebecca Swanner

2012-11-18 The definitive guide to a daily orgasm! There is nothing quite like having a sheet-gripping, earth-shattering, body-rocking orgasm--and having one every day is even better. An Orgasm - or More - a Day is an indispensable guide to having at least one satisfying and powerful orgasm each day that will leave you trembling for more. Divided into daily entries, you'll learn tips, tricks, and orgasmic techniques sure to bring you (or a partner!) to their knees in sexual rapture. From tickling the erogenous zones and self-play to using vibrating toys and perfecting tongue-swirling oral skills, this "hands-on" manual helps you discover how to have toe-curling, back-scratching, red-hot orgasms--every day of the week!

### **The Mammoth Book of Extreme Science Fiction**

Mike Ashley 2010-07-31 Here are 25 stories of science fiction that push the envelope, by the biggest names in an emerging new crop of high-tech futuristic SF - including Charles Stross, Robert Reed,

Alastair Reynolds, Peter Hamilton and Neal Asher. High-tech SF has made a significant comeback in the last decade, as bestselling authors successfully blend the super-science of 'hard science fiction' with real characters in an understandable scenario. It is perhaps a reflection of how technologically controlled our world is that readers increasingly look for science fiction that considers the fates of mankind as a result of increasing scientific domination. This anthology brings together the most extreme examples of the new high-tech, far-future science fiction, pushing the limits way beyond normal boundaries. The stories include: "A Perpetual War Fought Within a Cosmic String", "A Weapon That Could Destroy the Universe", "A Machine That Detects Alternate Worlds and Creates a Choice of Christs", "An Immortal Dead Man Sent To The End of the Universe", "Murder in Virtual Reality", "A Spaceship So Large That There is An Entire Planetary System Within It", and "An Analytical Engine At The End of Time", and "Encountering the Untouchable."

**Mind-Blowing Sex**-Diana

Cage 2012-04-03 Confidence, health, and self-knowledge are the keys to a happier sex life—and sex expert Diana Cage is here to teach you how to achieve all three. *Mind-Blowing Sex* is an inclusive, hands-on guide to making sex more enjoyable for readers of all sexual orientations. Beginning with a brief historical overview, the book provides women and their lovers with an expansive view of female sexuality—from where it's been to where it's headed—and takes a contemporary approach to sex, offering direct tips and informed advice on how to have the best, most gratifying sex possible. Irreverent yet insightful, Cage covers both the emotional and physical aspects involved in increasing sexual pleasure—including tuning into your sexual fantasies, overcoming hang-ups, touching and being touched, choosing and introducing toys, and understanding female anatomy and orgasms. Straight-talking and non-judgmental, *Mind-Blowing Sex* will help women—straight and queer—to open their minds, reject stereotypes,

educate themselves and their lovers, and learn how to enjoy sex more than ever before.

### **The Ultimate Guide to Seduction and Foreplay-**

Jessica O'Reilly 2020-04-14

Sex means different things to different people - it's as varied as the different species on the planet. So, seduction and foreplay are not only about getting what you want, but about giving and receiving, teasing and pleasing for the best possible rewards, no matter how you define them. (And, yes, foreplay IS sex!) *The Ultimate Guide to Seduction & Foreplay* teaches readers how to tune into their own desires, become better communicators, and ultimately be more confident, passionate, and attentive lovers. Inspired by fantasies of seduction, Marla and Jess take you on a journey of sexual exploration and help you understand the many factors that add to or inhibit arousal and pleasure on psychological, sociological, and sexological levels. Readers gain a deeper understanding of their own

sexual needs and the foundations for greater compatibility and connection. As you explore your own learning and seduction styles (and your lover's), you'll discover and experiment with new and exciting ways to stimulate arousal and deepen intimacy: verbal, emotional, and digital seduction, foreplay, eroticizing daily actions, games, fantasy play, mindfulness, and more. Packed with practical exercises, techniques, and creative ideas — especially for busy couples — this inclusive guide is a surefire way for folks of all genders to master the art of seduction. You don't have to be a rockstar in (or out of) the sack each time you have sex, but this book will help you approach your lovers with the confidence and comfort you deserve! Whether you are adding to your repertoire for later or striving to please your current lover, you'll discover thrilling new pathways to pleasure and intimacy.

**The Muslimah Sex Manual-**  
Umm Muladhat 2017-07-02  
Two years ago, I was

congratulating a young Muslimah on her engagement. She was thrilled about starting married life and you could see the happiness emanating from her as everyone gave her their best wishes. A few months later, I could tell something was wrong. After some cajoling, she shyly admitted the truth. Her sex life was horrible. In fact, it was fast becoming non-existent. She had been a model Muslimah her entire life. Before marriage, she had never so much as held a non-mahram's hand, let alone become physically intimate with one. She had eagerly looked forward to marriage as a chance to finally indulging in all the physical intimacy she had postponed for the sake of Allah. But it wasn't working. Coming from the medical field, she knew all the relevant biology. She could draw and label all the parts of male and female anatomy. She had taken fiqh classes and knew the legal rulings of menstruation and intercourse. But she didn't know sex. Oh, she knew the mechanics. Insert penis into vagina. Climax. Withdraw. But she didn't know how to make

her husband yearn for her in bed. She didn't know what he liked. She didn't even know what she liked! They had begun eagerly but after a few weeks, realized that neither of them was truly enjoying having sex with each other. And so began my impromptu sex skills workshop. I threw at her all the information I'd gathered over years of marriage. Things I'd learned from experience, tidbits I'd gleaned from friends, tips I'd picked up from magazine articles. One thing here, two things there. All those bits had accumulated into a very healthy and robust sex life between me and my husband. I gave her everything, fervently hoping that it would help her in her marital life. A month later, I saw her again. This time she had a gigantic smile on her face. "Please, write this down and share it with other Muslim girls. No one teaches this. We're thrown into marriage and only know the fiqh and the biology." I wrote down everything I told her on a Word document and emailed it to her. She shared it with her friends who were newly

married. They shared it with their friends. Before long, word trickled back to me that people were asking me to write a book on the subject. So here it is.

### **The Anal Sex Position**

**Guide**-Tristan Taormino

2009-05-01 Often considered the most intimate (and intimidating!) of sexual activities, anal sex is gaining mainstream acceptance as the ultimate in alternative intercourse. This guide takes the fear factor out of anal sex and shows heterosexual couples the best positions for pain-free pleasure. Introductory material which will discuss how to experience anal sex safely and pleurably, hygiene and safety, bringing up the topic with a partner, and the use of sex toys and accessories. Subsequent chapters will be position-specific: positions for first-timers; positions to spice up your repertoire; and advanced positions.

### **The Ultimate Guide to Mind-blowing Erotic Role Play**-Matthew Larocco

2017-06 Sex is boring. Sex is just the same old, same old. Sex just loses its thrill after a while. Wrong! You might have heard such sentiments from

other people but chances are they have never honestly tried to make their sex lives more exciting. Using role play, toys, and a little kink, you can transform just another roll in the hay into something downright magical. You can role play with your partner and experience the most intense sexual affairs, fantasies, and fetishes you've never had! In Part 1 of this book, we're going to discuss all the rules, scenarios and energy dynamics involved in "serious" sex games and erotic role playing. You're going to learn how to broach the subject with your spouse, how to get even kinkier with more people (if you want), and how to bring back that spark in your current relationship. Still not sure what to do? Don't worry. In Part 2 of this book, we have listed 125 "Done-for-You" ready-to-use erotic role playing scenarios to get you started. Some of these scenarios are kinky and wild. Some are romantic and cute. Some are even hilarious and over the top. And it takes all kinds to make for an unpredictable and fun sex life. So go ahead and try them out. You will be pleasantly

surprised!

### **Latitudes of Longing-**

Shubhangi Swarup

2020-05-19 A sweeping, lyrical debut about the love and longing between humanity and the earth itself, by a major new literary talent from India "A marvel of magical realism."—O: The Oprah Magazine A spellbinding work of literature, *Latitudes of Longing* follows the interconnected lives of characters searching for true intimacy. The novel sweeps across India, from an island, to a valley, a city, and a snow desert, to tell a love story of epic proportions. We follow a scientist who studies trees and a clairvoyant who speaks to them; a geologist working to end futile wars over a glacier; octogenarian lovers; a mother struggling to free her revolutionary son; a yeti who seeks human companionship;

a turtle who transforms first into a boat and then a woman; and the ghost of an evaporated ocean as restless as the continents. Binding them all together is a vision of life as vast as the universe itself. A young writer awarded one of the most prestigious prizes in India for this novel, Shubhangi Swarup is a storyteller of extraordinary talent and insight. Richly imaginative and wryly perceptive, *Latitudes of Longing* offers a soaring view of humanity: our beauty and ugliness, our capacity to harm and love one another, and our mysterious and sacred relationship with nature. Longlisted for the DSC Prize for South Asian Literature • Shortlisted for the JCB Prize for Literature • Longlisted for the International Dublin Literary Award • Winner of the Sushila Devi Literature Award for the Best Book of Fiction Written by a Woman • Winner of the Tata Literature Live! First Book Award for Fiction

### **The Reality Revolution-**

Brian Scott 2020-03-12 Our world is undergoing a reality

revolution. More and more people are discovering the power of their minds to shape the world around them faster than ever before. The question is: how do you create the reality of your design? Brian Scott wants to help you find the answer. After walking away unscathed from a near-fatal shooting in his home, Brian began a fanatical search for answers. He deepened his research into parallel realities, quantum mechanics, and consciousness to uncover what happened in his close call with death. Along the way, he developed a series of techniques capable of creating profound transformations. In *The Reality Revolution: The Mind-Blowing Movement to Hack Your Reality*, Brian introduces you to the techniques that have helped his clients find lasting love, create wealth, and revitalize health. You'll learn how to surf through parallel realities and unlock the power of your mind through a mix of researched and science-backed techniques like qi gong, meditation, quantum jumping, energy work, and reality transurfing. If you're ready to

create an incredible reality for yourself, this book shows you the way.

**Recursion**-Blake Crouch  
2019 New York City cop Barry Sutton investigates the devastating phenomenon the media has dubbed False Memory Syndrome-- a mysterious affliction that drives its victims mad with memories of a life they never lived. Neuroscientist Helena Smith dedicated her life to creating a technology that will let us preserve our most precious moments of our pasts. If she succeeds, anyone will be able to re-experience a first kiss, the birth of a child, the final moment with a dying parent. Together they face a force that attacks not just our minds but the very fabric of the past. Memory makes reality-- and the force is beginning to unmake the world as we know it. -- adapted from jacket.

**Time Traveling with a Hamster**-Ross Welford 2016-10-04 Back to the Future meets The Curious Incident of the Dog in the Night-Time in this original, poignant, race-against-time story about a boy who travels back to 1984 to save his father's life. My dad died twice. Once when he was thirty-nine and again four years later, when he was twelve. On his twelfth birthday, Al Chaudhury receives a letter from his dead father. It directs him to the bunker of their old house, where Al finds a time machine (an ancient computer and a tin bucket). The letter also outlines a mission: travel back to 1984 and prevent the go-kart accident that will

eventually take his father's life. But as Al soon discovers, whizzing back thirty years requires not only imagination and courage, but also lying to your mom, stealing a moped, and setting your school on fire—oh, and keeping your pet hamster safe. With a literary edge and tons of commercial appeal, this incredible debut has it all: heart, humor, vividly imagined characters, and a pitch-perfect voice.

Now a major motion picture from Universal, directed by Terry Gilliam and starring Johnny Depp and Benicio del Toro.

**It Must Be Art**-Michael Fishel 2018-07-28 Throughout the 1960s and 70s, London-based Big O Posters helped define the new and democratic art medium of the psychedelic poster, a vehicle for rebellion against the old order that went hand in hand

with the music, literature, and film of the time. This is a comprehensive collection of works published by Big O artists, astonishingly creative folks whose artistry developed almost completely outside the influence of the art establishment. Included in more than 300 images are works by 19 artists, including Martin Sharp, Roger Dean, H.R. Giger, Robert Venosa, and Vali Myers whose signature styles include sci-fi, fantasy, visionary, botanical, and surrealism. In addition to hundreds of original works, this book digs below the surface to offer insights and anecdotes about the era, the artistic process, and reveals connections to artists from the past (Aubrey Beardsley, Alphonse Mucha, Kay Nielsen) whose spirit chimed with the age of Big O Posters.

**Inheritance**-Dani Shapiro  
2020-01-28 An Instant NEW YORK TIMES BESTSELLER A LOS ANGELES TIMES, BOSTON GLOBE, WALL STREET JOURNAL, and NATIONAL INDIE BESTSELLER Named A BEST BOOK OF THE YEAR by \*Elle

\* Real Simple \* Kirkus Reviews \* BookPage \*  
"Memoir gold: a profound and exquisitely rendered exploration of identity and the true meaning of family." -- People Magazine "Beautifully written and deeply moving--it brought me to tears more than once."--Ruth Franklin, The New York Times Book Review From the acclaimed, best-selling memoirist, novelist and host of the hit podcast Family Secrets, comes a memoir about the staggering family secret uncovered by a genealogy test: an exploration of the urgent ethical questions surrounding fertility treatments and DNA testing, and a profound inquiry of paternity, identity, and love. In the spring of 2016, through a genealogy website to which she had casually submitted her DNA for analysis, Dani Shapiro received the stunning news that her beloved deceased father was not her biological father. Over the course of a single day, her entire history--the life she had lived--crumbled beneath her. Inheritance is a book about secrets. It is the story of a woman's urgent quest to

unlock the story of her own identity, a story that had been scrupulously hidden from her for more than fifty years. It is a book about the extraordinary moment we live in, a moment in which science and technology have outpaced not only medical ethics but also the capacities of the human heart to contend with the consequences of what we discover. Dani Shapiro's memoir unfolds at a breakneck pace--part mystery, part real-time investigation, part rumination on the ineffable combination of memory, history, biology, and experience that makes us who we are. Inheritance is a devastating and haunting interrogation of the meaning of kinship and identity, written with stunning intensity and precision.

**Blow Him Away**-Marcy Michaels 2004-12-28 Keep him begging for more . . . It's nothing to be ashamed of. When it comes to performing oral sex, most people fall somewhere between fumbling and clueless. But now, in Blow Him Away you'll find practical, easy-to-master

**The Ultimate Guide to Oral Sex**-Jane Merrill 2005 A woman's complete guide to pleasing her man.

**Baking With Kafka**-Tom Gauld 2021-05-04 A best-of collection of literary humour cartoons from the critically-

acclaimed Guardian cartoonist In his inimitable style, British cartoonist Tom Gauld has opened comics to a crossover audience and challenged perceptions of what the medium can be. Noted as a “book-lover’s cartoonist,” Gauld’s weekly strips in *The Guardian*, Britain’s most well-regarded newspaper, stitch together the worlds of literary criticism and pop culture to create brilliantly executed, concise comics. Simultaneously silly and serious, Gauld adds an undeniable lightness to traditionally highbrow themes. From sarcastic panels about the health hazards of being a best-selling writer to a list of magical items for fantasy writers (such as the Amulet of Attraction, which summons mainstream acceptance, Hollywood money, and fresh coffee), Gauld’s cartoons are timely

and droll—his trademark British humour, impeccable timing, and distinctive visual style sets him apart from the rest. Lauded both for his frequent contributions to *New Scientist*, *The Guardian* and *The New York Times*, and his Eisner-nominated graphic novels, Tom Gauld is one of the most celebrated cartoonists working today. In *Baking with Kafka*, he proves this with one witty, sly, ridiculous comic after another.
