Collins Children's Picture Atlas-Collins (Firm : London, England) 2012 This highly illustrated pictorial atlas is designed to take children on a journey of discovery around the countries of the world. The mapping is clear colourful and highly informative. Simple activities and quizzes encourage children to find out more about the mapped regions. Ages: 7+Each spread includes introductory text about the region. Pictorial symbols are used on clear colourful background mapping to depict themes such as national emblems, customs, food, birds, animals, buildings, sports etc. to help younger readers gain an understanding of peoples around the world. Continental spreads focus on flags and the most important geographical facts e.g. well known highest, lowest, largest physical and demographic features. A variety of activity based features accompany the mapping on each spread e.g. a 'What am I?' box lists detailed descriptions of familiar features. Activities are designed to encourage the reader to extract information from the map. Other features included are fascinating facts about each country, presented in a fun way, for each spread e.g. Did you know? Try this! It's a fact etc. Website links are listed to assist further study for the older child. Ages:7+

A Tale of Two Beasts-Fiona Robertson 2015-04-02 There are two sides to every story. A little girl finds a strange beast in the woods and takes it home as a pet. She feeds it, shows it off to her friends and gives it a hat. But that night it escapes. Then the beast tells the story of being kidnapped by the girl, who forcefed it squirrel food, scared it with a group of beasts and wrapped it in wool. Can the two beasts resolve their differences? An eye-opening story that makes you look at things from a different perspective. 'Robertson's premise is as sublime as it is simple, with a subtle message. [...] Totally delightful.' - Kirkus Reviews

Atlas of Oddities-Clive Gifford 2016-10-06
