The Walking Dead: Compendium 1-Robert Kirkman 2009-05-19 The Walking Dead Compendium is here! Since 2003, Robert Kirkman's The Walking Dead has been redefining the survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.

The Rural Diaries-Hilarie Burton 2021-06 New York Times Bestseller The beloved actress and star of One Tree Hill, White Collar, and Lethal Weapon, Hilarie Burton Morgan, tells the story of leaving Hollywood for a radically different kind of life in upstate New York with her husband Jeffrey Dean Morgan—a celebration of community, family, and the value of hard work in small town America. While Hilarie Burton Morgan's hectic lifestyle as an actress in New York and Los Angeles gave her a comfortable life, it did not fulfill her spiritually or emotionally. After the birth of their first son, she and her husband Jeffrey Dean Morgan, the star of The Walking

Dead, decided to make a major change: they bought a working farm in Rhinebeck, New York, and began a new chapter in their lives. The Rural Diaries chronicles her inspiring story of farm life: chopping wood, making dandelion wine, building chicken coops. Burton looks back at her transition from urban to country living--discovering how to manage a farm while raising her son and making friends with her new neighbors. She mixes charming stories of learning to raise alpacas and buying and revitalizing the town's beloved candy store, Samuel's Sweet Shop, with raw observations on the ups and downs of marriage and her struggles with secondary infertility. Burton also includes delicious recipes that can be made with fresh ingredients at home, as well as home renovation and gardening tips. Burton's charisma, wide eyed attitude, and fortitude--both internal and physical--propels this moving story of transformation and self-discovery. The Rural Diaries honors the values and lifestyle of small-town America and offers inspiration for anyone longing to embark on their own unconventional journey.

Robert Kirkman's The Walking Dead: Descent-Jay Bonansinga 2014-10-14 Written by Jay Bonansinga, based on the original series created by Robert Kirkman, The Walking Dead: Descent follows the events of The Fall of the Governor, and Lilly Caul's struggles to rebuild Woodbury after the Governor's shocking demise. Out of the ashes of its dark past, Woodbury, Georgia, becomes an oasis of safety amidst the plague of the walking dead - a town reborn in the wake of its former tyrannical leader, Philip Blake, aka The Governor. Blake's legacy of madness haunts every nook and cranny of this little walled community, but Lilly Caul and a small ragtag band of survivors are determined to overcome their traumatic past... despite the fact that a super-herd is closing in on them. This vast stampede of zombies, driven by inexorable hunger and aimed directly at Woodbury, becomes their first true test. But Lilly and company refuse to succumb, and in a stunning counteroffensive, the beleaguered townspeople save themselves by joining forces with a mysterious religious sect fresh from the wilderness. Led by an enigmatic preacher named Jeremiah, this rogue church group seems tailor made for Woodbury and Lilly's dream of a democratic, family-friendly future. The two factions meld into one, the town prospers, and everything seems hopeful for the first time since the plague broke out. But things - especially in the world of the walking dead - are often not what they seem. Jeremiah and his followers harbor a dark secret, the evidence of which very gradually begins to unravel. Along with a popular TV show also based on Kirkman's AMC comic books, The Walking Dead franchise is just getting better and better with Bonansinga's newest novel. In a stunning and horrifying finale, the world for Lilly and her close friends is turned upside down, and it is solely up to Lilly Caul to cleanse the town once and for all of its poisonous fate. These novels continue to be a great companion for fans of the television series and graphic novels!
