Follow That Car-Lucy Feather 2020-04-07

Packed with comic capers and animal antics, this brilliantly bold book follows Mouse's madcap pursuit of Gorilla through a variety of exciting settings. Are you ready? Then let's go! Follow that car! Start your engines! As Mouse hops on his motorcycle to chase after Gorilla, the duo dashes through busy building sites, rolling railway stations, alpine avalanches, and more! Teeming with detail-rich scenes and slapstick humor . . . as well as every kind of comical car, boat, truck, and train . . . the book rewards and delights a gleeful poring over of its pages--while also ending up with a satisfyingly silly reason for all the adventure. Is Gorilla such a baddie after all?

Six Armies in Normandy-John Keegan 1992

The Allied assault on Normandy beaches was an almost flawless success, but it was to take three months of bitter fighting before the German defence of Normandy finally collapsed and Paris

was liberated. In this masterly and highly individual account of that struggle, the reader is subjected to the grueling ordeals confronted by the combatants - each encounter related from the point of view of a different nationality. In this way we learn precisely what it was like to take part in the American airborne landings, move up the Canadian beachhead under a blistering hail of fire, attack on foot across country with Scottish infantry, engage the enemy from a British tank, move into the German counter-attack at Morain, close the Falaise Pocket under Polish command, and liberate Paris as a Free Frenchman. Six Armies in Normandy transcends conventional military history while providing an intensely vivid picture of one of the Second World War's most crucial campaigns.

Fluffy Animals-Dawn Sirett 2012 Invites young readers to feel the textures of young animals, including a chick, a rabbit, a lion cub, and a baby gibbon.

Eco Baby: Where Are You Koala?-Dorling Kindersley (corp) 2021-02-02 In Where are you? Koala, wander through outback and woodland to meet a world of amazing Australian animals like wombats and kangaroos. Can you find koala's secret hiding place? Colourful illustrations provide a bold contrast to the natural cardboard pages, making this a book that will stand out on the shelf. Bright habitats surround charming animal animals, making every page a delight. Simple text is ideal for reading aloud, or for young children just starting their reading journeys. Little readers will love running their hands along the fun corrugated cardboard elements and tracing the cut out sections.

Touch and Feel Wild Animals-Julie Aigner-Clark 2010-02 Featuring stunning photos of wild animals, this book introduces babies to the colours, textures and habitats of animals that live in the wild.
