<b>Early Feminist Pioneers, Their Lives, and Their Reform Efforts</b> -Satish Sharma 2020-12-24 Early feminist pioneers contributed much to the functioning and reform of society, including making women's status and privileges equal to those of men. However, we still do not know enough about their efforts, strategies, sacrifices, and attainments. As such, through a focus on the lives and contributions of eight early female pioneers of England and America from the seventeenth century to the early twentieth century, this book helps to fill this gap. Among these women were religious and educational reformers, political activists, social advocates, abolitionists, feminists, community organizers, pacifists, internationalists, and historians. These women noticed many injustices done to their kind by men and society over the centuries and took brave actions at great personal costs to provide remedies. Their respective backgrounds and interests were different, but all of them desired more protection and the welfare of vulnerable populations nationally and internationally. This book will be of interest to scholars and students in many fields, and can also be adopted as a textbook in colleges and universities.

<b>Martin Luther</b> -Catherine MacKenzie 2016-07-20 What made an ordinary monk become a catalyst for the Reformation in Europe in the 1500s? Discover how a fresh understanding of the Scriptures transformed Martin Luther's life and had a enormous impact on Europe.
<span></span>
<b>Belle La Follette</b> -Nancy C. Unger 2015-07-30 In 1931, the New York Times hailed Belle Case La Follette as "probably the least known yet most influential of all the American women who have had to do with public affairs." A dedicated advocate for women's suffrage, peace, and other causes, she served as a key advisor to her husband, leading Progressive politician Robert La Follette. She also wielded considerable influence through her own speeches and journalism, as when she opposed racism by speaking out against the segregation of the federal government under President Woodrow Wilson. In a concise, lively, and engaging narrative, Nancy C. Unger shows how Belle La Follette uniquely contributed to progressive reform, as well as the ways her work was typical of women--and progressives--of her time. Supported by primary documents and a robust companion website, this book introduces students of American history to an extraordinary woman and the era of Progressive reform.
<span></span>
<b>John Knox</b> -Catherine Mackenzie 2012 The story of John Knox who went from being a bodyguard to a preacher of God's Word. He stood with his convictions - biblical and political.
<span></span>
<b>The Easter Story</b> -Carine MacKenzie 2015-01-20 Outside the city walls there are three crosses on a hill. Darkness covers the world. The Son of God has died but daylight is coming and three days later death has lost. Jesus Christ is the victor! This is the Easter story - a story of life, hope and the forgiveness of sin! For God so loved the world that he gave his only Son that whoever believes in him should not perish but have eternal life. John 3:16

<b>Black Women and Politics in New York City</b> -Julie A. Gallagher 2012-06-15 Julie A. Gallagher documents six decades of politically active black women in New York City who waged struggles for justice, rights, and equality not through grassroots activism but through formal politics. In tracing the paths of black women activists from women's clubs and civic organizations to national politics--including appointments to presidential commissions, congressional offices, and even a presidential candidacy--Gallagher also articulates the vision of politics the women developed and its influence on the Democratic party and its policies. Deftly examining how race, gender, and the structure of the state itself shape outcomes, she exposes the layers of power and discrimination at work in all sectors of U.S. society.
<span></span>
<b>Daughter of the Empire State</b> -Jacqueline A. McLeod 2011-11-01 This long overdue biography elevates Jane Matilda Bolin to her rightful place in American history as an activist, integrationist, jurist, and outspoken public figure in the political and professional milieu of New York City before the onset of the modern Civil Rights movement. When Bolin was appointed to New York City's domestic relations court in 1939 for the first of four ten-year terms, she became the nation's first African American woman judge. Drawing on archival materials as well as a meeting with Bolin in 2002, historian Jacqueline A. McLeod reveals how Bolin parlayed her judicial position to impact significant reforms of the legal and social service system in New York. Beginning with Bolin's childhood and educational experiences at Wellesley and Yale, Daughter of the Empire State chronicles Bolin's relatively quick rise through the ranks of a profession that routinely excluded both women and African Americans. McLeod links Bolin's activist leanings and integrationist zeal to her involvement in the NAACP and details her work as a critic and reformer of domestic relations courts and juvenile placement facilities.
<span></span>
<b>Beginning with God</b> -Steve T. Barclift A highly acclaimed and resourceful kid's devotional by a national best-selling and Gold Medallion award-winning children's book author. Helps kids experience all the important aspects of personal time with God.
<span></span>
<b>Augustine</b> -K. C. Murdarasi 2014-03-20 Augustine wanted nothing to do with Christianity but this all changed when God changed the young man's heart. Augustine became one of the most influential Christian teachers.
<span></span>
<b>Activists, Rebels, and Reformers: G - M</b> -Phillis Engelbert 2001 Contains entries that provide biographical information about twenty-four men and women who were influential in bringing about social change in countries throughout the world; and features profiles of one organization also engaged in the struggle. Arranged alphabetically from G-to-M.
<span></span>
<b>Great African-American Women</b> -Darryl Lyman 2000 Celebrates the lives and accomplishments of such African American women as Sojourner Truth, Florence Griffith Joyner, Rosa Parks, Zora Neale Hurston, Barbara Jordan, Alice Walker, and Myrlie Evers-Williams.
<span></span>
<b>Betty Greene</b> -Irene Howat 2017 Planes are frequent sights in our skies today. In the early years of the 20th century they were new, exciting - dangerous even. Betty Greene was one of the early women to learn to fly these amazing new machines. After World War 2, Betty helped to set up an organisation that used aircraft to support mission work - she was its first pilot. Later that organisation became Mission Aviation Fellowship. In Latin America, Africa and Irian Jaya Betty

Greene flew her aircraft with courage and skill, all the while trusting God to keep her and her passengers safe.

<b>History of Woman Suffrage</b> -Elizabeth Cady Stanton 1886
<span></span>
<b>John Calvin</b> -Catherine Mackenzie 2009 Calvin had ideas on how we could live better lives - particularly how we could live in close harmony with God and each other - but because his ideas were radical, his life was filled with dramatic events and dangers. He was run out of town - and then welcomed back. He was accused of being too harsh - and also too tender hearted. When he explained what the bible meant he was considered too logical and too spiritual! He must have been an amazing man to have caused such a stir!

<b>Reforming the African Public Sector. Retrospect and Prospects</b> -Joseph R. A. Ayee 2008 Reforming the African Public Sector: Retrospect and Prospectsis an in-depth and wide-ranging review of the available literature on African public sector reforms. It illustrates several differing country experiences to buttress the main observations and conclusions. It adopts a structural/institutional approach which underpins most of the reform efforts on the continent. To contextualize reform of the public sector and understand its processes, dynamics and intricacies, the book examines the state and state capacity building in Africa, especially when there can be no state without an efficient public sector. In addition, the book addresses a number of theories such as the new institutional economics, public choice and new public management, which have in one way or another influenced most of the initiatives implemented under public sector reform in Africa. There is also a survey of the three phases of public sector reform which have emerged and the balance sheet of reform strategies, namely, decentralization, privatization, deregulation, agencification, co-production and public-private partnerships. It concludes by identifying possible alternative approaches such as developing a vigorous public sector ethos and sustained capacity building to promote and enhance the renewal and reconstruction of the African public sector within the context of the New Partnerships for Africa's Development (NEPAD), good governance and the Millennium Development Goals (MDGs).

<b>Women, peace and welfare</b> -Oakley, Ann 2019-03-01 Between 1880 and 1920 many women researched the conditions of social and economic life in Western countries. They were driven by a vision of a society based on welfare and altruism, rather than warfare and competition. Ann Oakley, a leading sociologist, undertook extensive research to uncover this previously hidden cast of forgotten characters. She uses the women's stories to bring together the histories of social reform, social science, welfare and pacifism. Her fascinating account reveals how their efforts, connected through thriving transnational networks, lie behind many features of modern welfare states and reminds us of their powerful vision of a more humane way of living - a vision that remains relevant today.

<b>The Negro Leagues</b> -Matt Doeden 2017-08-01 Audisee® eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers! When modern baseball fans think of African American players, they may think of Ken Griffey Jr. or Derek Jeter. But what about the black stars who didn't play Major League Baseball? In the early 1900s, black players were not allowed in the Major Leagues. The Negro Leagues provided an alternative for African American players. Discover the Negro Leagues in this book packed full of facts, photos, and stories. Learn about the biggest games and wildest moments of the Negro Leagues era, as well as some of the greatest (and least well-known) players. You'll also find out about the history of African American baseball and the people who worked to end the sport's decades of segregation.

<b>Science Under Siege</b> -Todd Wilkinson 1998 "Exposes how entrenched political interests, beholden to industry lobbyists, are waging an all-out war to weaken key environmental laws and gut regulatory agencies, . and how deals are made giving private industry a profit at the public's expense"--Jacket.
<span></span>
<b>Women Trailblazers of California</b> -Gloria G. Harris 2012-08-07 Throughout California's history, remarkable women have been at the core of change and innovation. In this unparalleled collection, Gloria Harris and Hannah Cohen relate the stories of forty women whose struggles and achievements have paved the way for generations. These women were strong and determined, overcoming prejudice, skepticism and injustice. Visionary architect Julia Morgan designed Hearst Castle; Dolores Huerta co-founded United Farm Workers; Donaldina Cameron, the angry angel of Chinatown, rescued brothel workers; and silent film actress Mary Pickford helped form United Artists Pictures. From fearless pioneers and determined reformers to professionals from every walk of life, Harris and Cohen chronicle the triumphs and disappointments of diverse women who dared to take risks and break down barriers.

<b>The Children of the Poor</b> -Jacob August Riis 1892
<span></span>
<b>When a Parent Goes to Jail</b> -Rebecca M. Yaffe 2000 Explains rules, laws, choices, and consequences resulting in going to jail, discusses what to expect from the legal system, and provides advice on coping with having a parent in jail.
<span></span>
<b>Illiberal Reformers</b> -Thomas C. Leonard 2017-01-24 In Illiberal Reformers, Thomas Leonard reexamines the economic progressives whose ideas and reform agenda underwrote the Progressive Era dismantling of laissez-faire and the creation of the regulatory welfare state, which, they believed, would humanize and rationalize industrial capitalism. But not for all. Academic social scientists such as Richard T. Ely, John R. Commons, and Edward A. Ross, together with their reform allies in social work, charity, journalism, and law, played a pivotal role in establishing minimum-wage and maximum-hours laws, workmen's compensation, progressive income taxes, antitrust regulation, and other hallmarks of the regulatory welfare state. But even as they offered uplift to some, economic progressives advocated exclusion for others, and did both in the name of progress. Leonard meticulously reconstructs the influence of Darwinism, racial science, and eugenics on scholars and activists of the late nineteenth and early twentieth centuries, revealing a reform community deeply ambivalent about America's poor. Economic progressives championed labor legislation because it would lift up the deserving poor while excluding immigrants, African Americans, women, and 'mental defectives,' whom they vilified as low-wage threats to the American workingman and to Anglo-Saxon race integrity. Economic progressives rejected property and contract rights as illegitimate barriers to needed reforms. But their disregard for civil liberties extended much further. Illiberal Reformers shows that the intellectual champions of the regulatory welfare state proposed using it not to help those they portrayed as hereditary inferiors, but to exclude them. -- Provided by publisher.

<b>Mary of Orange</b> -Linda Finlayson 2012 Mary was born to privilege, heir to the throne of England, Scotland and Ireland. She was brought up to believe in the God of the Bible rather than the fabricated teachings of priests.
<span></span>
<b>Religion and Globalization</b> -John L. Esposito 2008 A unique and in-depth introduction to religion in the modern world, Religion and Globalization includes coverage of Christianity, Judaism, Islam, Hinduism, Buddhism, East Asian religions, and new religious movements. It addresses such questions as: How do these various religions change as theyare brought into contact with each other by the forces of globalization? and How are ancient traditions modified to accommodate the realities of the 21st century? Focusing on the diverse ways that humans have been religious in the past and are religious today, the book examines the changes thatbegan with the Scientific Revolution and how those changes have shaped these religions as they are practiced today. Ideal for courses on religion and globalization or religion and politics, Religion and Globalization includes sixteen custom maps, key terms at the end of each chapter, a glossary, andtimelines of important events each religious tradition.
<span></span>
<b>Gender, Class, Race, and Reform in the Progressive Era</b> -Noralee Frankel 2015-01-13 In this collection of informative essays, Noralee Frankel and Nancy S. Dye bring together work by such notable scholars as Ellen Carol DuBois, Alice Kessler-Harris, Barbara Sicherman, and Rosalyn Terborg-Penn to illuminate the lives and labor of American women from the late nineteenth century to the early 1920s. Revealing the intersections of gender, race, ethnicity, and social class, the authors explore women's accomplishments in changing welfare and labor legislation; early twentieth century feminism and women's suffrage; women in industry and the work force; the relationship between family and community in early twentieth-century America; and the ways in which African American, immigrant, and working-class women contributed to progressive reform. This challenging collection not only displays the dramatic transformations women of all classes experienced, but also helps construct a new scaffolding for progressivism in general.
<span></span>
<b>Encyclopedia of Women Social Reformers</b> -Helen Rappaport 2001 "This valuable contribution to women's studies includes the stories of more than 400 women from 64 countries and brings into the limelight many forgotten movements and personalities that have had major impacts on history. Readers will be inspired by the fascinating biographies."--"Outstanding Reference Sources," American Libraries, May 2002.
