Great for keeping children occupied on journeys, rainy days or during quiet moments. Perfect for sharing with a friend.

Little Children-Tom Perrotta 2013-07-18 A group of parents, trapped in middle-class stability, deal with marriage, kids and their suburban life in very different ways... There's Todd, the handsome stay-at-home-dad - the one the other mothers admire in a silent look-but-do-not-touch fashion. He's trying (for his wife's sake) to pass his bar exam although he doesn't want to be a lawyer, and in a desperate attempt to reclaim his youth joins a midnight touch-football team...and starts a passionate affair with Sarah. Sarah is a lapsed feminist who isn't quite sure how she ended up being a traditional wife. She's the kind of mother who (shock horror) is capable of forgetting her daughter's snack, and in a moment's rebellion dares to kiss Todd in front of the mother's group. And let's not forget Sarah's husband, Richard, a successful businessman who develops an obsession for internet exhibitionist Slutty Kay, and consequently spends more time on-line than with his own wife and daughter. A brilliantly perceptive novel and box-office smash, Little Children is a unique mix of the comical and the compassionate.

Travel Doodles-Adrian Barclay 2016-07-07 Travel Doodles is packed with amazing outdoor-themed doodles for children to colour and complete. From designing an awesome treehouse and filling the campsite with tents to completing snowy scenes, rainforest adventures, awesome outdoor playgrounds and lots, lots more.
