**God's Purpose Demands Persistence**-Carmelo Alicea 2017-01-20 "Difficulties are not an option in my life." I begin this introduction with a statement that should be a daily declaration in everyone's life. For as long as we live, difficult times will always show up but making them a "normal" standard in my day to day life to deceive us and make us doubt God's promises is not an option for a child of God. There is a saying "Life is not about waiting for the storm to pass, it's about dancing in the rain." While you dance in the midst of the storm, God will see your heart conform to His. We can't let life dictate our pace and blessings, we have to do something about it. Sitting at the side of the road and waiting for someone to give us what we need is not an option. When you have a clear identity of who you are in Christ, God will reveal to you that everything you need is already inside of you. All you will ever need in this life comes from God. The same God who lives and dwells in you. When all hell breaks loose, God releases His power in you to prevail in all of your doings. But, it will take someone who is committed to insisting and resisting at all cost during times of discouragements. You have all that is needed for you to persist and to manifest the movement of God in your favor. It's customary to invoke God who seems to be outside of our realm, every time we need Him. We appeal to God to come to us even though He is already in us. "Do you not know that you are a temple of God and that the Spirit of God dwells in you?" (1 Corinthians 3:16). You want His divine power to come to you when all you have to do is release His power that is already inside of you. Remember that in all of our doings, "God's purpose demands resistance." In other words, you have to fight against opposition for that purpose to be fulfilled. It is the only way that you'll see the promises become a reality. Understanding what your purpose is and what it represents in your life will help you unleash God's power. It is critical to know how to position yourself, regardless of the situation you are encountering and to push forward until something happens. Push forward at all times and pray until God's heavens are opened in your favor. Until the much-needed response becomes a reality in the natural realm. Let's not worry about our circumstances, but rather, persist in pushing forward while God orchestrates the outcome of our victory Victory is something that comes disguised as a full game of discouragements and weaknesses that will try to keep you out of focus. But knowing how to unwrap what seems to be packages full of discouragements will take a persistent person to reveal God's favor in you. While the opposition increases, your strength will be growing and pushing forward until God's favor is released with His anointing to obtain the victory that has been always in you. Why? Because victory is a place that dwells in you. Jesus obtained it on the cross, and Jesus the Victor lives in you.
