Valentine Scratchers-Mary Colgan 2013-01-01 Forty cards for scratchable holiday fun! Whether alone or with a parent, sibling, or friend, kids will have a blast with these tear-out cards filled with holiday-themed games, activities, and jokes. Perfect for a Halloween treat (or trick!) or a special Valentine!

If It Bleeds-Stephen King 2021-06 "The four never-before-published novellas in this collection represent horror master King at his finest, using the weird and uncanny to riff on mortality, the price of creativity, and the unpredictable consequences of material attachments. A teenager discovers that a dead friend's cell phone, which was buried with the body, still communicates from beyond the grave ... A series of apocalyptic incidents [bears] out one character's claim that 'when a man or a woman dies, a whole world falls to ruin.' 'Rat' sees a frustrated writer strike a Faustian bargain to complete his novel, and in the title story, private investigator Holly Gibney ... faces off against a ghoulish television newscaster who vampirically feeds off the anguish he provokes in his audience by covering horrific tragedies"--Publishers Weekly (03/09/2020)

Nickelodeon PAW Patrol: Happy Valentine's Day, Adventure Bay!- Editors of Studio Fun International 2020-12-01 Join the PAW Patrol on this Valentine's Day scratch-and-sniff adventure! It's Valentine's Day in Adventure Bay, and Mr. Porter has baked some delicious treats for the town Valentine's Day celebration! But when his truck goes off the road and the treats go flying, it's up to the pupstastic noses of the PAW Patrol to sniff them out before the party begins. The pups are ready to sniff and save in this action-packed scratch-and-sniff book!

Victorian Valentines- 2012-01-01 In Victorian Valentines certain images recur frequently. Cupids are seen, helping along love as has been their role through the ages. Hearts figure prominently. The Victorians loved all things floral, so many blooms adorn these postcards. Finally, many lovely young Victorian ladies are pictured in all their beauty. That complex of attitude and tendencies that we call the Victorian Age did not, of course, vanish on the Queen's death in 1900. It persisted and evolved until the First World War. For this book we have confined ourselves to postcards published before 1910.

Racial Culture-Richard T. Ford 2009-01-10 What is black culture? Does it have an essence? What do we lose and gain by assuming that it does, and by building our laws accordingly? This bold and provocative book questions the common presumption of political multiculturalism that social categories such as race, ethnicity, gender, and sexuality are defined by distinctive cultural practices. Richard Ford argues against law reform proposals that would attempt to apply civil rights protections to "cultural difference." Unlike many criticisms of multiculturalism, which worry about "reverse discrimination" or the erosion of core Western cultural values, the book's argument is primarily focused on the adverse effects of multicultural rhetoric and multicultural rights on their supposed beneficiaries. In clear and compelling prose, Ford argues that multicultural accounts of cultural difference do not accurately describe the practices of social groups. Instead these accounts are prescriptive: they attempt to canonize a narrow, parochial, and contestable set of ideas about appropriate group culture and to discredit more cosmopolitan lifestyles, commitments, and values. The

book argues that far from remedying discrimination and status hierarchy, "cultural rights" share the ideological presuppositions, and participate in the discursive and institutional practices, of racism, sexism, and homophobia. Ford offers specific examples in support of this thesis, in diverse contexts such as employment discrimination, affirmative action, and transracial adoption. This is a major contribution to our understanding of today's politics of race, by one of the most distinctive and important young voices in America's legal academy.

Laugh-Out-Loud Jokes for Kids-Rob Elliott 2010-08-01 Presents a collection of jokes for young readers, including one liners, knock knock jokes, and tongue twisters.

A Year of Us-Alicia Muñoz 2019-06-18 A year of soul-searching questions for deeper connections. What if you asked your partner to describe their ideal day instead of the same old "how was your day"? What if you shared dreams about love instead of lists of errands? Wouldn't it be wonderful if your communication ran deeper every day? Open this couples journal and let the conversation begin. A Year of Us: A Couples Journal gives you one insightful question per day to spark real talk, intimacy, and fun in your relationship. Over the course of a year, you'll ask each other about big dreams and small moments that make up your lives together. With topics that cover future goals, sexuality, psychology, and more, this couples journal proves that--no matter how long you've been together--when your conversation goes deeper, so does your connection. A Year of Us: A Couples Journal takes you on a journey to: Grow closer--Chart new territory in your outer lives and inner worlds--with questions designed to encourage growth. Ask and answer one question per day--Dive deep into dreams and goals, past and present, intimacy and sexuality, philosophy and psychology. Record your discoveries--Jot down answers for every question to track your process in this couples journal. Plus, dedicated pages allow you to set goals and reflect on your year of journaling together. One year from now, you'll know each other better and love each other stronger with A Year of Us: A Couples Journal.

Plastic-Free-Beth Terry 2012-06-15 Like many people, Beth Terry didn't think an individual could have much impact on the environment. But while laid up after surgery, she read an article about the staggering amount of plastic polluting the oceans and decided then and there to kick her plastic habit. Now she wants to teach you how you can too. In her quirky and humorous style—well known to the readers of her popular blog, My Plastic-Free Life—Terry provides personal anecdotes, stats about the environmental and health problems related to plastic, and personal solutions and tips on how to limit your plastic footprint. Terry includes handy lists and charts for easy reference, ways to get involved in larger

community actions, and profiles of individuals— Plastic-Free Heroes—who have gone beyond personal solutions to create a change on a larger scale. Plastic-Free also includes chapters on letting go of eco-guilt, strategies for coping with overwhelming problems, and ways to relate to other people who aren't as far along on the plastic-free path. Both a practical guide and the story of a personal journey from helplessness to empowerment, Plastic-Free is a must-read for anyone concerned about the ongoing health and happiness of themselves, their children, and the planet.
