**The Interpretation of The Meaning of The Holy Quran Volume 3 - Surah Al-Baqarah verse 131 to 170**-Nasoha Bin Saabin I have written many books and articles on various topics but since 2013, I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah, I have completed the whole Quran on 29th October 2020 with 84 books. I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently, there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world (English). For this very reason I have written the interpretation of the Holy Quran in English. Prof. Nasoha Bin Saabin

**The 99 Names of Allah**-Baal Kadmon 2015-08-19 In the first volume of the Sacred names series : "The 72 Names of God: The 72 keys to Transformation" I discuss the power of the name. Knowing a name gives you power.In this book we will discuss the 99 names of Allah, what they are, and how to use them to instill in yourself with the power of God. Throughout the mystical traditions of the world, several traditions stand out as luminaries. One of these luminous traditions is Sufism. Sufism is the mystical tradition of the Muslim faith. Like any spiritual tradition, mystical interpretations are often hinted at in the main body of religious texts, but other books are needed to decipher the inner mysteries of an established canon. This applies to Islam as well.Islam’s main holy book is the Quran. A beautifully written and deep tome. Often , in the west we do not see the depth of Islam because it has been shrouded in the deeds of a few radical people who have lost the true spirit of the Quran. This is a shame because the Quran is quite a deep book. It is much more than a book on how to conduct ones life. It is a manual for divine enlightenment. Its deeper mysteries are hidden in the text and voluminous works like the Hadith are used to tease them out. In the Hadith it discusses the 99 names of God. These names are essentially 99 qualities that God possess. These names are meant as guides in our own life. If you have ever seen picture of Muslims holding beads in their hands , those beads are used to chant the 99 names of Allah. This tradition is very much embedded in Islamic tradition. In this book, we will learn how to tap into the 99 names of Allah and acquire the 99 divine qualities.

**Tarjuman-ul- Quran**-B. Sheik B.Sheik Ali 2017-04-29 Islam is pure monotheism unsupported by any kind of symbolism or forms of appeal to the emotions of the common man. Its two basic principles are unity of God and unity of man. It says the word of God is Quran and the work of God is nature. This book deals with the first seven verses of Quran regarded as soul and spirit, sun and substance of Quran. The main concepts elaborated here are Divinity, Creativity, Peace, Mercy, Love, Justice and Guidance. This work is from the pen of Maulana Abul Kalam Azad whom Bertrand Russell has characterized as the second wisest man on earth after Socrates. He has surveyed here the spiritual domain of all great religions of the world to bring home the sublimity of God. He calls this Surah Fateha (Introductory Chapter) of seven verses as Mother of Quran, the invaluable treasure, the key to entire knowledge and the obligatory part of Namaz (Prayer). It is the beginning and end of Quran. Its first verse, "In the name of God, Most Gracious, Most Merciful", is repeated in all the 114 Surahs. Its importance lies in the fact that it stresses right concept of God, belief in resurrection, prayer for righteous path and humble submission for mercy and benevolence. Quran says, "If you count for favours of God, never will you be able to number them." In short, this Surah confirms God is the Creator and Cherisher of the entire universe and all living beings. It prompts man not to belong to any race or nation or group but to be a part of world brotherhood. It guides man to observe laws of nature where nothing exists for itself, and everything is for everything else. Dr.B. Sheil Ali Former Vice-

**Lore of Light**-Hajjah Amina Adil 2019-12-19 In a narration of Imam Ahmad, Abu Dharr asked Prophet Muhammad, "O Messenger of Allah, how many are the prophets?" He replied, "120,000 and between their number are 315 messengers." The Holy Quran mentions twenty-five of these messengers, namely: Adam, Noah, Abraham, Ishmael, Isaac, Jacob, David, Solomon, Job, Joseph, Moses, Aaron, Zacharia, John (the Baptist), Idris (Enoch), Jonah, Hud, Shu` ayb, Salih, Lot, Ilyas, Ilya` sa, Dhu `l-Kifl, Jesus and Sayyidina Muhammad, peace be upon them all. These are the messengers of God who came with holy books containing the Divine Message. The others are prophets who received divine revelation but who were not ordered to deliver it to anyone; it was for them. By way of example, all of Jacob’s sons were prophets, but Joseph was the only messenger from among them. Laboriously compiled from rare manuscripts, traditional Islamic texts, and other printed source material, including ahadith and athar and the many traditional books of history, and painstakingly translated from Ottoman Turkish to English, Lore of Light depicts the perfected, blessed character and refined manners that God bestowed on His blessed prophets and messengers. This illustrious work examines the lives of the prophets and messengers of God in great detail, heretofore unknown in English literature on their lives. It depicts the great lengths to which these holy figures went - at times losing life, suffering humiliation, torment and abuse from those who opposed them, often leaving their homes, always tolerant of their attackers and seeking peace - to guide the many peoples and nations of the world towards the light which God has sent throughout time for humankind’s betterment and upliftment.

**The Meaning and Explanation of the Glorious Qur’an (Vol 3) 2nd Edition**-Muhammad Saed Abdul-Rahman 2009-10-29 This is the 2nd edition of volume 3 of the ten volumes of The Meaning And Explanation Of The Glorious Qur’an. The first edition of this book contained many formatting and typing errors. In this new edition, we have corrected all the errors found in the first edition. We have also re-arranged the structure of the book and added the full Arabic Text of the thirty Parts of the Qur’an. The reader is now able to read not only the meaning, the transliteration and the tafsir (explanation) of the Glorious Qur’an but also the full Arabic text as well. Our mission is to gather in one place, for the English-speaking public, all relevant information needed to make the Qur’an more understandable and easier to study. This book tries to do this by providing the following: 1. The Arabic Text for those who are able to read Arabic 2. Transliteration of the Arabic text for those who are unable to read the Arabic script. This will give them a sample of the sound of the Qur’an, which they could not otherwise comprehend from reading the English meaning. 3. The meaning of the qur’an (translated by Dr. Muhammad Taqi-ud-Din Al-Hilali, Ph.D. and Dr. Muhammad Muhsin Khan) 4. Background introductions by two famous Islamic scholars, Maududi and Ibn Kathir 5. Explanation (abridged Tafsir) by Ibn Kathir (translated by Saf-ur-Rahman al-Mubarakpuri) We hope that by doing this an ordinary English-speaker will be able to pick up a copy of this book and study and comprehend The Glorious Qur’an in a way that is acceptable to the understanding of the Rightly-guided Muslim Ummah (Community).

**The Interpretation of The Meaning of The Hadith Volume 3 – Virtues of Solat Tahajud**-Nasoha Bin Saabin I believe there is a great need in the whole world for the correct interpretation of the Holy Quran and Hadith to be written in English. Currently, there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The misunderstanding of the meaning of the Holy Quran and Hadith among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran and Hadith. With the grace of Allah, I have completed the interpretation of the Holy Quran with 84 books, and Hadith with 7 books. The series of the interpretation of the hadith consist of 7 books that are Virtues of Tabligh or Dakwah, Virtues of Solat, Virtues of Solat Tahajud, Virtues of The Holy Quran, Virtues of Charity, Virtues of Ramadhan and Virtues of Pilgrimage. Among all the 7 above orders of Allah, the first 5 books focus on the order of Allah that should be done daily, fasting should be done in the month of Ramadhan every year and pilgrimage to Mekah should be done once in a lifetime for those who are able to do it financially, healthy and safely and all these orders are to be done in the way of Prophet Muhammad saw and with the intention to please Allah. Besides the 84 books on the interpretation of the Holy Quran, these 7 books of Hadith should be read daily in every mosque and in every house in the whole entire world in order to have the correct mindset on the orders of Allah, and when the mankind will practice all the orders of Allah what has been mentioned in the Holy Quran and Hadith in the way shown by Prophet Muhammad saw and with the intention to please Allah, only then the entire mankind will have the correct belief in Allah and in the orders of Allah. When the entire mankind have the correct belief and mindset towards Allah and the orders of Allah, only then the entire mankind will have the correct actions or deeds. When the entire mankind will have the correct deeds only then the entire mankind in this world will be able to live with peace and happiness in this world and the hereafter. Prof. Nasoha Bin Saabin

**Where Is Allah?** - 2020-04-03

**Who Is This Allah?**-G.J.O. Moshay 2008 Is Allah the God of the Bible? In any of the one hundred and fifty sects and sub-sects of Islam, the common denominator is Allah. Who is this Allah? Much has been written on the religion of Islam and its prophet; but not much is said about the god of the religion. One reason is the assumption that the god of Islam and the God of Christianity are one and the same. When, on September 11, 2001, some Muslims carried out a well-organized attack, destroying the The World Trade Center and damaging the Pentagon, a letter of last instruction from the leaders of the terrorist network was discovered. Written in Arabic, it says their mission was a service to God. Actually this was a mistranslation. The word the terrorists used is not the Arabic word for God but Allah. The Arabic word for God is llah. So they believed they were working for Allah, not God. Who is this Allah? Were these terrorists extremists, or were they serving the Allah of the Qur’an? The war against terrorism goes beyond overthrowing the Taliban regime in Afghanistan or even killing Osama bin Laden. The war on terror may not be won unless we understand the Allah the terrorists say inspires them. Not all Muslims are terrorists. But the terrorists’ letter, which is quoted fully in chapter three, gives great insight into the Islamic religion and the motivation for religious terrorism in the world. Why have we shied away from probing the identity of the Allah of Islam? Possibly it is because if Allah is not the God of the Bible, it would force us to face many ugly facts. For example, if Allah is the true God, and the Qur’an, Islam’s sacred book, is true, then Christians can be sure they are lost, no matter how zealous they may be. The reverse would also be true. It is necessary, therefore, to provide sufficient information to enable you to determine your own verdict, and answer the question: Who is this Allah? This book will do that.

**The Glorious Quran Word-for-Word Translation to Facilitate Learning of Quranic Arabic**-Shehznaz Shaikh 2007-07-01 There are about 80,000 words in the Quran but the actual words are only around 2000!!! This could also be termed as one of the many miracles of the Quran. Accordingly, if a reader decides to learn only 10 new words every day, he can understand the basic message of the Quran within a period of seven months! So it is indeed very easy to understand the Quran, provided one is willing to learn it. This word-for-word translation may not be considered as an addition to the existing translations, but an attempt to equip the reader to understand the revelation directly from the Arabic text; thus it will Insha-Allah be a very useful tool for those who are willing to study the Quran and try to understand it. A beginner can bear in mind the meanings of each Arabic word provided right below it. Since many words are repeated in the Quran, the student will find for himself that within a few months of regular study, he is indeed able to understand the Quran through the text itself. It may also be pointed out that a beginner does not have to, in the start itself, be worried about learning extensive grammar or how to speak the Arabic language. In fact, one has to develop vocabulary before learning grammar for the following reasons: \* A child first learns words and then starts linking them together. We speak our mother tongue fluently without ever learning the grammatical rules. That is to say, we learn it by repeatedly listening to the words. \* Learning extensive grammar before improving vocabulary is like putting the cart before the horse. Or it is like learning different styles of swimming by moving hands in the air inside a swimming pool without water. One has to fill the swimming pool with water (i.e., increase vocabulary) and then learn to swim (i.e., to connect the words with grammatical rules).

**The Book of the Jihad of `Ali ibn Tahir al-Sulami (d. 1106)**-Dr Niall Christie 2015-11-28 In 1105 Damascene Muslim jurisprudent `Ali ibn Tahir al-Sulami (d. 1106) dictated a call to the military jihad against the European invaders. Entitled Kitab al-Jihad, al-Sulami’s work summoned his Muslim brethren to the jihad and instructed them in the manner in which it ought to be conducted. The text is vital for understanding the Muslim reaction to the crusades, and provides the first contemporary record of Muslim preaching against the crusaders. This book provides a complete edition and the first full English translation of the extant sections of the manuscript, making it available to modern readers for the first time. An introductory study explores al-Sulmani’s influences and techniques, and suggests possible directions for future study. An appendix provides translations of jihad sermons by Ibn Nubata al-Fariqi (d. 985), a preacher whose rhetorical style influenced al-Sulami’s work.

the true Message and Wisdom of Islam? The work I present here for your consumption is more than a book; a collection of words meant to deliver glad tidings, to educate, and to perhaps warn. It is a work driven by what I intend to be a sound and powerful Message.This message invites readers to think freely and broaden their minds; to contemplate and seek their own truth. This passage advises people, never to blindly follow any religion without first reflecting upon the faith in question and reasoning its true meaning. Beyond all manner of faith and feeling, one must use their intellect to discover the truth behind all faiths.This passage is intended to draw and empower the sincere seeker of truth; the one that questions, reflects and ponders his or her life's purpose and questions his/her future and direction. Islam, for example, is one faith that is misunderstood and misrepresented by many. Before one forms an opinion of Islam, one should question the thoroughness and truthfulness of his or her existing knowledge of this controversial religion.The ultimate purpose of this message is to facilitate a fresh new dimension of thinking that will enable one to realize the ultimate importance of his or her existence in this universe; to help one understand his/her divine relationship with his/her creator. The faith of Islam is beneficial only to people that are sincere in seeking guidance, misguiding those who are not sincere and honest in their spiritual quests; who reject divine guidance and spiritual truth.
