**Charlotte Sometimes**-Penelope Farmer 2016-07-06 A time-travel story that is both a poignant exploration of human identity and an absorbing tale of suspense. It's natural to feel a little out of place when you're the new girl, but when Charlotte Makepeace wakes up after her first night at boarding school, she's baffled: everyone thinks she's a girl called Clare Mobley, and even more shockingly, it seems she has traveled forty years back in time to 1918. In the months to follow, Charlotte wakes alternately in her own time and in Clare's. And instead of having only one new set of rules to learn, she also has to contend with the unprecedented strangeness of being an entirely new person in an era she knows nothing about. Her teachers think she's slow, the other girls find her odd, and, as she spends more and more time in 1918, Charlotte starts to wonder if she remembers how to be Charlotte at all. If she doesn't figure out some way to get back to the world she knows before the end of the term, she might never have another chance.

**Infinite Jest**-David Foster Wallace 2009-04-13 A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly

screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, *The Atlantic*

Set high on the cliffs on the west coast of Ireland, overlooking the windswept Atlantic Ocean, it was falling into disrepair - until one woman, with a past she needed to forget, breathed new life into the place. Now a hotel, with a big warm kitchen and log fires, it provides a welcome few can resist. Winnie is generally able to make the best of things, until she finds herself on the holiday from hell. John arrived on an impulse after he missed a flight at Shannon. And then there's Henry and Nicola, burdened with a terrible secret, who are hoping the break at Stone House will help them find a way to face the future... 'This is a book designed to be read in a dark January chill; it begs for a fireside and the sound of wind and rain howling outside ... If you haven't come across her before, you've got a real treat in store' *The Lady*
